Webinar

# Beazley Breach Response Overview Webinar

This is an essential overview for every BBR policyholder which will explain the services available to you under your breach response policy, including how the Cyber Services team will work with you in the event of an actual or suspected data breach, and how and when to notify us of an incident so that you can get the most of your policy.

**Panelist:**

Andrew Girman - Director, Cyber Services, Beazley Security

Kari Smith - Partner Manager, TruStage

Please choose your preferred date from the list below and click on the register button to sign up. Once registered, you will receive a confirmation email including instructions for joining the webinar.

## Upcoming Webinars:
