Finance Modernization US Job Show – November 30, 2022

November 10, 2022

At Beazley, we always strive for better, and our finance teams are crucial in supporting our continued success. As we embark on our journey to transform, we are creating exciting opportunities and actively recruiting for a range of new roles across the function. We are looking for passionate and diverse talent with a curious mindset and a collaborative attitude to join us.

Whether you're at the beginning of your career or looking for progression or a change in direction, our Finance division require a rich mix of skills and experience. We have a range of upcoming positions up to senior manager level. Because nothing stands still, we can't either. We are looking for great people to help us continue to innovate and deliver superior insurance.

We are extremely excited to welcome you to our Finance Modernisation job show where you will have the opportunity to get a feel for what it's like to work at Beazley, network with staff from the different Finance teams and even informally interview. We have a range of upcoming permanent and contract positions up to senior manager level across Finance Change, Reporting, Operations, Tax, to Business Planning.

The day will be a fantastic opportunity to:

- Experience our offices and get a feel for our working environment
- Meet the current Finance Leadership Team and their senior leadership team and ask any questions you may have
- Find out more about Beazley, our brilliant benefits and what we can offer you
- Register your interest and partake in on the spot interviews for current contracting opportunities to support the Modernisation Programme and other/future Finance opportunities.

Whether you want to come for a short while or stay for the whole event,

we’d be happy to meet with you and share some of our experiences here at Beazley.
