In consideration of the payment of premium and in reliance upon the statements, representations and warranties made in the application forming part of this **Insurance**, the Underwriters agree with the **Named Insured** as follows:

I. INSURING AGREEMENTS

A. Coverage

1. Bodily Injury or Property Damage Liability, other than from Products or Completed Operations

The Underwriters will pay on behalf of the **Insured Damages** and **Claims Expenses**, in excess of the Deductible, which the **Insured** shall become legally obligated to pay in respect of any **Claim** for **Bodily Injury** or **Property Damage** caused by an **Occurrence** taking place during the **Policy Period**;

2. Personal Injury or Advertising Injury Liability

The Underwriters will pay on behalf of the **Insured Damages** and **Claims Expenses**, in excess of the Deductible, which the **Insured** shall become legally obligated to pay in respect of any **Claim** for **Personal Injury** or **Advertising Injury** caused by an **Occurrence** taking place during the **Policy Period**;

3. Products/Completed Operations Liability

The Underwriters will pay on behalf of the **Insured Damages** and **Claims Expenses**, in excess of the Deductible, which the **Insured**

shall become legally obligated to pay in respect of any **Claim** first made against any **Insured** during the **Policy Period** caused by an **Occurrence** arising out of the **Products/Completed Operations Liability Hazard** involving a **Nutraceutical** that takes place after the Retroactive Date and before the Expiration Date;

4. Employee Benefits Liability

The Underwriters will pay on behalf of the **Insured Damages** and **Claims Expenses**, in excess of the Deductible, which the **Insured** shall become legally obligated to pay in respect of any **Claim** first made against any **Insured** during the **Policy Period** caused by any negligent act, error or omission of the **Insured** in the **Administration** of the **Named Insured's Employee Benefits Program** that takes place after the Retroactive Date and before the Expiration Date;

5. Medical Expenses

The Underwriters will pay on behalf of the **Insured Damages** and **Claims Expenses**, in excess of the Deductible, which the **Insured** shall become legally obligated to pay in respect of any **Claim** for **Medical Expenses** for **Bodily Injury** arising out of any **Occurrence** taking place during the **Policy Period**; provided that such **Occurrence** occurs:

- (a) on premises the **Named Insured** owns or rents;
- (b) on ways next to the premises the **Named Insured** owns or rents;
or
- (c) during the course of the **Named Insured's** operations; and

Subject to the above, the Underwriters will pay such **Medical Expenses** regardless of fault.

6. Products Recall Expense

The Underwriters will pay on behalf of the **Insured Products Recall Expense**, in excess of Deductible, incurred by the **Named Insured** for the withdrawal of the **Named Insured's Products** involving a **Nutraceutical** which were manufactured on or after the Retroactive

- (b) by order of a Federal or other regulatory body during the **Policy Period**;

provided that any such expenses are incurred and reported to the Underwriters within 180 days of the date on which the **Recall Occurrence** was initiated by (a) or (b) above, whichever happens first.

B. Defense and Settlement

The Underwriters shall have the right and duty to defend the **Insured** for any **Claim** first made against the **Insured** and notified to the Underwriters in accordance with Clause X., even if any of the allegations of the **Claim** are groundless, false or fraudulent. The Underwriters shall choose defense counsel in conjunction with the **Insured**, but in the event of disagreement, the decision of the Underwriters is final and binding.
2. The Limit of Liability available to pay **Damages** shall be reduced and may be completely exhausted by payment of **Claims Expenses**. **Damages** and **Claims Expenses** shall be applied against the Deductible.
3. The Underwriters shall have the right to conduct any investigation they deem necessary, including any investigation with respect to coverage and statements made in the application.
4. The Underwriters shall pay all premiums on bonds to release attachments, all premiums on appeal bonds required in any such defended suit (but without any obligation to apply for or furnish such bonds), all costs taxed against the **Insured** in any suit, and all interest accruing after entry of judgment until the Underwriters have paid, tendered or deposited in court part of such judgment as does not exceed the Limit of Liability.
5. The Underwriters shall reimburse the **Insured** for all reasonable expenses, other than loss of earnings, incurred at the Underwriters' request and within the Limit of Liability.

6. The Underwriters shall not be obligated to pay any **Damages** or **Claims Expenses**, or to undertake or continue the defense of any **Claim** after the applicable Limit of Liability has been exhausted by payment of **Damages** or **Claims Expenses** or after deposit of the remaining applicable Limit of Liability in a court of competent jurisdiction, and that upon such payment, the Underwriters shall have the right to withdraw from the further defense of the **Claim** without further liability by tendering control of such defense to the **Insured**.

- F. This clause VIII. **Extended Reporting Period** shall not apply to the coverage under Insuring Agreement 1.A.6. **Products Recall Expense**.

IX. **OTHER INSURANCE**

This **Insurance** shall apply in excess of the applicable Deductible and any other valid and collectible insurance or self-insurance available to any **Insured**, whether such other insurance is stated to be primary, contributory, excess, contingent or otherwise, unless such other insurance is written only and identified as excess insurance over the Limit of Liability specifically of this **Policy**.

If there is any other such insurance in force at the time of any event giving rise to a **Claim** under this **Policy** the **Insured** shall promptly provide the Underwriters in writing with full details of such other insurance, including the identity of the insurer and the policy number, its terms and limits, and such further information as the Underwriters may reasonably require.

X. **NOTICE OF OCCURRENCE, CLAIM, OR CIRCUMSTANCE THAT MIGHT LEAD TO A CLAIM**

Occurrence Coverage:

As soon as the **Insured** first becomes aware of an **Occurrence** which has taken place during the **Policy Period**, it shall, as soon as reasonably practicable, notify the Underwriters through persons named in Item 11 of the Declarations.

Claims Made Coverage:

- A. If any **Claim** is made against the **Insured**, the **Insured** shall, as soon as practicable and without delay, notify the Underwriters in writing and forward every demand, notice, summons or other process received by the **Insured** or its representative. The **Insured's** duty to provide such notice is a condition precedent to coverage and the Underwriters shall not be subject to any liability under this **Policy** if the **Insured** fails to comply in full with this clause X. A.

- B. If during the **Policy Period** the **Insured** first becomes aware of an **Occurrence** or **Circumstance** it must give written notice to the Underwriters through those persons named in Item 11. of the Declarations of:
- (1) the specific act, error or omission, **Occurrence** or **Adverse Event**;
 - (2) the injury or damage which may result or has resulted therefrom; and
 - (3) the circumstances by which the **Insured** first became aware of the act, error or omission, **Occurrence** or **Adverse Event**.

Any subsequent **Claim** made against the **Insured** which is the subject of the written notice shall be deemed to have been made at the time written notice was first received by the Underwriters.

- C. (1) All **Claims** for **Bodily Injury** or **Property Damage** under Insuring Agreement I.A.3. **Products/Completed Operations Liability** which arise out of one lot of goods, batch, package or run of the **Named Insured's Products** and are attributable to a single, direct cause shall be deemed to be one **Claim** and deemed to have been made at the time of such notice or the first of the related **Claims** if:
- (i) the **Occurrence** which causes or is alleged to cause injury or damage affects two or more persons and is attributable to a single, direct cause;
 - (ii) the first relevant **Occurrence** occurs after the Retroactive Date and before the Expiration Date of the **Policy Period**;
 - (iii) the first of all such related **Claims**:
 - (a) has been made within the **Policy Period**; or
 - (b) directly relates to a **Circumstance** notified within the **Policy Period**; and
 - (iv) the **Named Insured** has requested in writing prior to, or within 120 days after, the Expiration Date of the **Policy Period** that the Underwriters agree to such designation as one **Claim**, such consent not to be unreasonably withheld.
- (2) If the Underwriters agree to designate such **Claims** as one **Claim**, then any later related **Claims** which are made and notified within five (5) years of the Expiration Date of the **Policy Period** are hereby covered under this **Policy** as that one **Claim**, and will be

deemed to have been notified at the date of the first designated **Claim** or notification and are subject to one Deductible and one each **Claim** Limit.

- (3) Any **Claims, Damages** or **Claims Expenses** arising from any **Occurrence** notified to the Underwriters or other insurer prior to the Inception Date shall not be included as one **Claim** or payable under this **Policy** as **Damages** or **Claims Expenses** arising out of the same, continuing or related negligent act, error or omission or **Occurrence** of which any **Claim** is made or notice is first given during this **Policy Period**.
- (4) In the absence of any notification and agreement strictly in accordance with the above:
 - (i) the Underwriters shall only be liable for each **Claim** (otherwise properly notified and payable under this **Policy**) on the basis that each remains a separate **Claim**;
 - (ii) no **Claim** made after expiry of the above 120 day period shall be capable of being deemed related to an earlier **Occurrence** or **Claim**.

D. Reporting an **Adverse Event** to the Underwriters, any other insurer or a governmental or regulatory authority does of itself not constitute a conclusion that the **Nutraceutical** caused or contributed to that event or that injury or damage was expected or intended, an admission or assumption of liability, or a notice of **Circumstance** under X. B. or knowledge of a **Circumstance** or an injury or damage that would be expected to result in payment under this **Insurance**, unless clearly so specified.

E. Solely with respect to the coverage provided by Insuring Agreement 1.A.6. **Products Recall Expense**:

- (1) the **Insured** shall give immediate written notice to the Underwriters upon discovery or notification that any of the **Named Insured's Products** must be withdrawn or recalled. The **Insured's** duty to provide such notice is a condition precedent to coverage and the Underwriters shall not be subject to any liability under this **Policy** if the **Insured** fails to comply in full with this clause X. E. (1);
- (2) the **Insured** shall cease and desist from further release, shipment, consignment or any other method of distribution of like or similar products until it has been determined that all such products are free from such defects as would be cause of loss under this **Policy**;

(3) within sixty (60) days after loss, unless such time is extended in writing by the Underwriters, the **Named Insured** shall render to the Underwriters a proof of loss, signed and sworn to by the **Named Insured**, stating the knowledge of the **Named Insured** as to the time and cause of loss, actual **Products Recall Expense** incurred. Such expenditures shall be substantiated by submission with the proof of loss of all bills, invoices and other vouchers or certified copies.

F. All **Products Recall Expense** incurred in the simultaneous recall of any types, classes or models of the same product shall be considered as arising out of one recall.

All Coverages:

If any **Insured**, with the intent to defraud, shall make any **Claim** under this **Policy** that is false or fraudulent in any way (including using any fraudulent device), the Underwriters shall be entitled to elect to void this **Policy** and all coverage hereunder (including any **Claims** or **Claims Expenses** already paid), or to refuse to indemnify the **Insured** in respect of any **Claim** to which the dishonesty relates.

XI. ASSISTANCE AND CO-OPERATION OF THE INSURED

The **Insured** shall co-operate with the Underwriters in all investigations, including regarding the application and coverage under this **Policy** and, upon the Underwriters' request, assist in negotiating and making settlements, in all aspects of the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization, other than an **Employee** of any **Insured** who may be liable to the **Insured** because of **Occurrences** or negligent acts, errors or omissions with respect to which insurance is afforded under this **Policy** (which do not involve any fraudulent or criminal acts or omissions). The **Insured** shall attend hearings and trials and assist in securing and giving evidence and obtaining the assistance and attendance of witnesses. It is a condition precedent to coverage that the **Insured** shall not, except at its own cost, admit liability, make any payment, assume any obligation, incur any expense, enter into any settlement, stipulate to any judgment or award or otherwise dispose of any **Claim**, or otherwise take any action prejudicial to the Underwriters, without the written consent of the Underwriters.

XII. INSPECTION AND AUDIT

Any of the Underwriters' authorized representatives shall have the right and opportunity, whenever the Underwriters so desire, to inspect at any reasonable time the **Named Insured's Products**, goods, operations and premises, but the Underwriters assume no responsibility or duty by reason of such inspection or the omission thereof. The **Insured** agrees to provide appropriate personnel to

assist the Underwriters' representatives during such inspection (together with photocopying and internet facilities) without cost to the Underwriters.

XIII. ACTION AGAINST THE UNDERWRITERS

It is a condition precedent to the Underwriters' liability under this **Policy** that no action shall lie against the Underwriters unless the amount of the **Insured's** obligation to pay shall have been finally determined either by judgment or award against the **Insured** after actual trial or arbitration or by written agreement of the **Insured**, the claimant and the Underwriters. No person or organization shall have any right under this **Insurance** to join the Underwriters as a party to an action or other proceeding against the **Insured** to determine the **Insured's** liability, and nor shall the Underwriters be impleaded by the **Insured** or its legal representative.

XIV. BANKRUPTCY

Bankruptcy or insolvency of the **Insured** or of the **Insured's** estate shall not relieve the Underwriters of their obligations hereunder, save that the Underwriters shall not be liable for any sum arising solely as a result of the bankruptcy or insolvency of the **Insured**, and under no circumstances, including such bankruptcy or insolvency, shall the Underwriters be responsible to pay or advance the **Insured's** Deductible, unless the Underwriters choose to do so at their own discretion.

XV. SUBROGATION

The Underwriters shall be subrogated to all the **Insured's** rights of recovery against any person or organization in relation to the Underwriters' potential liability under this **Policy**, and the **Insured** shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The **Insured** shall do nothing before or after the payment of **Damages** by the Underwriters to prejudice such rights and shall take all reasonable steps to maintain them including positive action where necessary. The obligations of the **Insured** under this clause XV. shall survive this **Policy**.

Any subrogated recovery shall first be paid to the Underwriters to the extent of any **Claims Expenses** paid by them, with the balance then being paid to the Underwriters and the **Insured** in the proportions that they have paid **Damages** in excess of the Deductible, then to the **Insured** for any uninsured loss in excess of the Limit of Liability and then in respect of the Deductible. Notwithstanding the foregoing, the Underwriters agree to waive their rights of subrogation against the **Insured** except where it is established (by admission or a final non-appealable adjudication) that the relevant **Insured** has committed a deliberately fraudulent or deliberately criminal act or omission.

Notwithstanding the above the **Insured** shall promptly effect any Underwriters' request for an assignment from the **Insured** of any cause of action that the **Insured** may have against any third party in respect of which it has been, or appears likely to be, indemnified by the Underwriters.

XVI. CHANGES

Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this **Insurance** adverse to the Underwriters or estop them from asserting any right under the terms of this **Insurance**, and the terms of this **Insurance** cannot be waived or changed except by written endorsement issued to form part of this **Insurance**, signed by the Underwriters.

XVII. MERGERS AND ACQUISITIONS

A. If, during the **Policy Period**, the **Named Insured** is acquired by or acquires an entity (including its subsidiaries) or purchases assets or acquires liabilities and

- (1) the revenues of the acquiring or acquired entity or such assets or liabilities immediately prior to the date of completion of such acquisition do not exceed 10% of the **Named Insured's** annual revenues or assets respectively as specified in its most recent application for insurance to the Underwriters;
- (2) the business operations of the acquiring or acquired entity are of a similar nature to those of the **Named Insured** as specified in such recent application; and
- (3) the operations of the acquiring or acquired entity are primarily located in the same country as the **Named Insured** or any subsidiary;

then this **Policy** will automatically cover the acquiring or acquired entity from the date of completion of such acquisition but only for **Occurrences** or other events giving rise to liability that take place subsequent to the completion of such acquisition.

B. If during the **Policy Period** the **Named Insured** is acquired by or acquires an entity that does not fall within the criteria detailed in clause XVII. A. above, this **Policy** shall not apply after the date of completion of such acquisition and the **Named Insured** shall be required to give written notice to the Underwriters prior to the completion of such acquisition by or of the **Named Insured**, and to negotiate with the Underwriters in respect of the additional premium payable and the imposition of any amended terms and

conditions in respect of any insurance similar to that provided hereunder that it may require.

XVIII. ASSIGNMENT

The interest hereunder of any **Insured** is not assignable except as requested by the Underwriters under clause XV. If the **Insured** shall die or be adjudged incompetent, such insurance shall cover the **Insured's** legal representative as the **Insured**, as would be permitted by this **Policy**.

XIX. CANCELLATION

- A. This **Policy** may be cancelled by the **Named Insured** or by the Underwriters by sending registered or certified mail notice to the other party stating when, not less than sixty (60) days thereafter, cancellation shall be effective.
- B. Any failure of the **Named Insured** to pay the premium when due or any sum payable as its share of any **Damages** owed by it as a co-insured or the Deductible shall be a repudiatory breach of this **Policy** and the Underwriters shall be entitled to accept such repudiation and cancel this **Policy** on ten (10) days' notice by registered or certified mail to the **Named Insured**. The Underwriters shall be entitled to set off any sum held by them in the discharge of the **Insured's** obligations to the Underwriters or otherwise.
- C. The registration or certification of mailed notice as aforesaid shall be sufficient proof of notice, and the insurance under this **Policy** shall end on the effective date and hour of cancellation stated in the notice. Delivery of such written notice either by the **Named Insured** or by the Underwriters shall be equivalent to mailing.
- D. If this **Policy** is cancelled the effective date of such cancellation shall become the Expiration Date.
- E. If this **Policy** is cancelled by the **Named Insured** the Underwriters shall retain the short rate proportion of the premium for the period this **Policy** has been in force, calculated in accordance with the Short Rate Cancellation Table then in force, and all of the premium in respect of any **Extended Reporting Period**.
- F. If this **Policy** is cancelled by the Underwriters, the Underwriters shall retain the pro rata proportion of the premium for the period this **Policy** has been in force.

- G. Notice of cancellation by the Underwriters shall be effective even though the Underwriters make no payment or tender of return premium with such notice.

XX. MITIGATION OF LOSS

In the event of an **Occurrence** or negligent act, error or omission involving the **Named Insured's Products**, operations or premises covered by this **Policy**, it is a condition precedent to the Underwriters' further liability that the **Insured** shall promptly, at its expense, take all reasonable steps (including positive action as necessary) to prevent or mitigate other or further **Bodily Injury, Property Damage, Personal Injury** or **Advertising Injury** or consequential loss, damage or liability from arising out of such **Occurrence** or the same or similar conditions, and the Underwriters shall not be liable for any such failure of the **Insured** to do so.

XXI. INTERPRETATION

Throughout this **Policy**:

- A. The singular includes the plural, the masculine includes the feminine, and vice versa;
- B. "Including" and "include(s)" mean without limitation;

- E. Any requirement for notification or payment to the Underwriters under this **Policy** shall be discharged if sent by prepaid express courier or certified mail, or fax or email (if received and there capable of being easily read), to the persons named in Item 11. of the Declarations, or other designated address;
- F. Any reference to a regulatory or investigative or other federal, state or local governmental body shall include any similar or related agency or body;
- G. The descriptions in the headings and subheadings of this **Policy** are solely for convenience, and form no part of the terms and conditions of coverage; and

- H. All or part of any provision of this **Policy** which is or becomes void or illegal, invalid or unenforceable by a court or other competent body under the law of any applicable jurisdiction shall be deleted. The parties shall use all reasonable efforts to agree a replacement for the provision deleted which achieves as far as possible the same effect as would have been achieved by the deleted provision had it remained enforceable.

XXII. ENTIRE CONTRACT

By acceptance of this **Policy** the **Insured** agrees that the statements and application are his agreements and representations, that this **Insurance** is issued in reliance upon the truth of such representations and that this **Policy** embodies all agreements existing between the **Insured** and the Underwriters relating to this **Insurance**.

XXIII. PREMIUM AND AUDIT

The actual earned premium payable by the **Named Insured** for the **Policy Period** shall be computed on its actual **Gross Receipts** at the Premium Rate stated in Item 8. of the Declarations. Within 21 days of the Expiration Date, the **Named Insured** shall provide to the Underwriters a written statement of the **Named Insured's** actual **Gross Receipts** for the **Policy Period**.

If the actual **Gross Receipts** are more than the Gross Receipts Threshold stated in Item 8. of the Declarations, the **Named Insured** shall pay further premium on the difference to the Underwriters at the Premium Rate stated in Item 8. of the Declarations within 21 days of a request to do so from the Underwriters.

If the actual earned premium is less than the Deposit Premium payable (stated in Item 7. of the Declarations), the Underwriters shall refund the difference to the **Named Insured** except that the Underwriters shall be entitled to the Minimum Premium as stated in Item 7. of the Declarations.

The Underwriters shall have the right to require of the **Named Insured**, at any time within the **Policy Period** or one year thereafter, a written and sworn statement specifying the entire amount (or number) of such **Gross Receipts** or other premium base during the whole or any specified part of the said period, and the **Named Insured** shall furnish this statement within ten (10) days after request. This statement shall be subject to verification and audit by a duly authorized representative of the Underwriters, who shall have the right and opportunity to examine the books and records of the **Named Insured** as respects such **Gross Receipts** or other premium base, and such examination may be made at any time during the said period and within three (3) years thereafter.

The rendering of any estimate or statement or the making of any previous settlement shall not bar the examination of the books and records of the **Named Insured**, or the Underwriters' right to additional premium.

XXIV. NAMED INSURED AS AGENT

The **Named Insured** shall be considered the agent of all **Insureds**, and shall act on behalf of all **Insureds** with respect to the giving of or receipt of all notices pertaining to this **Policy**, and the acceptance of any endorsements to this **Policy**, and the **Named Insured** shall be responsible for the payment of all premiums and Deductibles.

XXVI. SANCTIONS LIMITATION AND EXCLUSION

No Underwriter shall be deemed to provide cover and no Underwriter shall be liable to pay any **Claim** or provide any benefit hereunder to the extent that the provision of such cover, payment of such **Claim** or provision of such benefit would expose the Underwriters to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, law or regulations of the European Union, United Kingdom or United States of America.

XXVII. SERVICE OF SUIT

- A. It is agreed that in the event of the failure of the Underwriters hereon to pay any amount claimed to be due under this **Insurance**, the Underwriters hereon, at the request of the **Named Insured**, will submit to the jurisdiction of a court of competent jurisdiction within the United States. This condition does not constitute and should not be understood to constitute an agreement by the Underwriters that an action is properly maintained in a specific forum, nor may it be construed as a waiver of the Underwriters' rights to commence an action in a court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another court as permitted by the laws of the United States or of any state of the United States, all of which rights the Underwriters expressly reserve. It is further agreed that service of process in such suit may be made upon the designated entity in Item 12. of the Declarations, and that in any suit instituted against any one of them upon this contract, the Underwriters will abide by the final decision of such court in the event of an appeal.
- B. The Entity designated in Item 12. of the Declarations is authorized and directed to accept service of process on behalf of the Underwriters in any such suit and/or upon the request of the **Named Insured** to give written undertaking to the **Named Insured** that they will enter a general appearance upon Underwriters' behalf in the event such a suit shall be instituted. Further, pursuant to any statute of any state, territory or district of the United States which makes provision therefore, the Underwriters hereon hereby designate the Superintendent, Commissioner or Director of Insurance or other officer specified for that purpose in the statute or his successor or successors in office, as their true and lawful attorney upon whom may be served any lawful process in any action, suit or proceedings instituted by or on behalf of the **Named Insured** or any beneficiary

hereunder arising out of this **Insurance**, and hereby designates the Entity, designated in Item 12. of the Declarations, as the person to whom the said officer is authorized to mail such process or a true copy thereof.

XXVIII. CHOICE OF LAW

Any dispute involving this Policy shall be resolved by applying the law of the state designated in Item 13. of the Declarations.

XXIX. SEVERAL LIABILITY

The subscribing Underwriters' obligations under contracts of insurance to which they subscribe are several and not joint and are limited solely to the extent of their individual subscriptions. The subscribing Underwriters are not responsible for the subscription of any co-subscribing Underwriter who for any reason does not satisfy all or part of its obligations.

XXX. LICENSURE AND ALTERATIONS OF NAMED INSURED'S PRODUCTS

A. The premium charged for this **Policy** is based on the **Named Insured's Products**, operations and premises identified in the underwriting information submitted to the Underwriters on behalf of the **Insured** at the Inception Date. The **Insured** shall notify the Underwriters promptly of any changes in the **Named Insured's Products**, operations or premises that are likely to impact adversely upon the risks hereby insured, and the Underwriters shall have the right to adjust the premium, Deductible(s) and any **Policy** terms to account for such changes, based on their sole assessment of the additional exposure(s) presented.

Changes to report include:

- (1) any changes to manufacturing or servicing premises requiring structural alterations, or the acquisition of additional manufacturing or serving premises;
- (2) any change in manufacturing or serving operations which is likely to result in an annual increase in the **Named Insured's** total **Gross Receipts** of twenty-five percent (25%) or more;
- (3) any changes in operations which are not accurately described by the description as specified in Item 6. of the Declarations.

This **Policy** shall apply to only the **Named Insured's Products**, Business Operations specified in Item 6. of the Declarations and locations specified in Schedule B attached thereto, irrespective of any changes reported.

- B. The operations of the **Named Insured** and any **Insured** requiring a license to operate shall be licensed in accordance with all relevant federal, state and local requirements and the **Named Insured** warrants that as of the Inception Date it has secured all relevant licenses.
- C. If, during the **Policy Period**, any **Insured's** licensure status is altered by withdrawal, revocation, denial, suspension or failure to renew, the **Named Insured** shall give written notice of such change to the Underwriters within thirty (30) days of the change becoming effective. Following receipt of such notice, the Underwriters may elect, at their sole option, to revise any Insuring Agreements. Definitions, Exclusions, Limitations, Endorsements or other conditions of this **Policy** with respect to the **Insured**, with effect from such date of such withdrawal, revocation, denial, suspension or failure to renew. Such action does not waive the Underwriters' option to invoke the provisions of Clause XIX. of this **Policy**. The Underwriters will have no obligation to respond in any way to any **Claim** arising out of an **Occurrence** or act, error or omission which took place subsequent to the date of withdrawal, revocation, denial, suspension or failure to renew.

XXXI. NON-CUMULATION OF LIMITS

Notwithstanding anything to the contrary in this **Policy**, if a **Claim** purports to trigger coverage under more than one Insuring Agreement of this **Policy**, the Underwriters' liability under this **Policy** shall not exceed the greater of the Limit of Liability available under any one of those Insuring Agreements.

No **Claim** can trigger coverage or be paid under more than one Insuring Agreement of this **Policy**.

In the event that a **Claim** purports to trigger coverage under more than one policy issued by the Underwriters to the **Named Insured** and its subsidiary companies, any **Claim** or suit will only be covered under the policy with the highest limit of insurance available or, if the limits are the same, under only one of the policies.

XXXII. INNOCENT INSURED

Whenever coverage under this **Insurance** would be excluded, suspended or lost owing to:

- A. the application of IV. Exclusion 1. (a) relating to the use of force by any **Insured**;
- B. the application of IV. Exclusion 5. (e) relating to intentional, criminal, dishonest, fraudulent or malicious acts, errors or omissions by any **Insured**; or

- C. non-compliance with any condition relating to the giving of notice to the Underwriters where an **Insured** is in default solely as a result of the failure of another **Insured** so to comply;

such insurance coverage as would otherwise be afforded under this **Policy** shall remain in effect with respect to those **Insureds** who did not personally participate in, or acquiesce in or remain passive after having personal knowledge of, (a) one or more of the acts, errors or omissions described in any such exclusion, or (b) such failure to give notice; provided that after becoming aware of such act, error or omission or any failure to give notice, an **Insured** seeking the benefit of this clause shall inform the Underwriters immediately in writing of such event.
