The descriptions contained in this broker factsheet are for preliminary informational purposes only. Coverages are underwritten by Beazley syndicates at Lloyd's and will vary depending on individual country law requirements and may be unavailable in some countries. Coverages are available in the US only on a surplus lines basis through licensed surplus lines brokers. The exact coverage afforded by the product(s) described in this factsheet are subject to and governed by the terms and conditions of each policy issued. The publication and delivery of the information contained herein is not intended as a solicitation for the purchase of insurance on any US risk.
