In addition to providing coverages that are standard in the marketplace for Miscellaneous Healthcare Professional Liability, Beazley policies offer some distinct benefits:

- Choice of 'primary,' 'duty to defend' and 'pay on behalf of' coverage for smaller risks that do not have access to the necessary claims handling expertise
- Claims cooperation/indemnification products available for larger risks with either in-house or appointed third party claims handling expertise, and the ability to fund significant self-insured retentions
- Both insurance and captive reinsurance solutions; these can be primary and/or excess follow form (subject to the underlying terms, conditions and carrier).

Furthermore, Beazley policies provide broad coverage that includes:

- Various combinations of miscellaneous medical professional liability/general liability/employee benefits liability/E&O (financial loss) coverages
- Products liability/completed operations
- Excess/umbrella policies including auto, and employers' liability
- Defense expenses outside limits and general liability on an occurrence basis on selected risks
- Coverage for employed and contracted physicians on a shared limits basis.

### Claims

True worldwide claims coverage from a dedicated healthcare claims team with prior experience as former healthcare liability defense attorneys.

### Limits/Minimum premium

Up to US \$25,000,000/\$25,000 minimum premium.
