New York, NY 10020
USA
T +1 (646) 943 5900
F +1 (646) 378 4039

Crime insurance (or fidelity bonds, as policies covering financial institutions are known) protects an organization from loss of money and securities, resulting from theft by its own employees.

It also insures against third party related losses for forgery or alteration; on premises; in transit; money orders and counterfeit currency fraud; computer fraud; client property coverage; credit card coverage and expense coverage.

We consider primary and/or excess attachments on an individual risk basis.
