Please contact your underwriter
or territory manager, or refer to
the product factsheet located
on our website.

Under a single integrated policy, the AFB Media Tech E&O form provides broad coverage for technology and business services companies, including:

Technology and professional liability

- Errors and omissions coverage is provided for a wide range of technology-based services and technology products
- Broad professional liability coverage is integrated into the policy addressing the need to cover non-technology professional services.

Information security and privacy liability

- For theft, loss or unauthorized disclosure of personally identifiable information or third party information
- For unauthorized access, theft of or destruction of data, denial of service attacks and virus transmission involving the insured's computer systems resulting from computer security breaches.

Privacy notification costs

- Coverage for the costs to provide notification in compliance with a breach notice law, including costs of expert forensic and legal services to help determine the extent of the breach and steps
- Costs for credit or identity monitoring product, public relations services and call center services.

Multimedia and advertising liability

- Online and offline media coverage for companies involved in advertising their own products as well as companies in the media industry
- Personal Injury coverage.

Additional key benefits include the following:

- Regulatory defense and penalties
- PCI fines, expenses and costs
- Unintentional breach of contract coverage for professional liability exposure
- Coverage for a wide range of trade secret misappropriation claims and copyright infringement
- Coverage for mental anguish and emotional distress
- Many additional enhancements available to address specific client needs.

Target

Broad range of computer software, hardware, consulting and professional businesses

Limits

Up to US \$20,000,000
