Burnett Risk Control International

Burnett Risk Control International (BRCI) has been involved in thousands of sexual abuse claims, involving schools, religious and not for profit entities and residential and healthcare facilities amongst other organizations. It can provide immediate intervention in a sexual abuse crisis, bringing over 20 years of expertise to bear in the comprehensive management of allegation incidents. BRCI can provide the strategic services required to manage such incidents, which encompass cooperation with law enforcement, assessment of liability exposure, ongoing strategic and resolution preparations, and multi-dimensional crisis communications services.

CrisisRisk Strategies, LLC

CrisisRisk Strategies, LLC is a national leader in crisis and consequence management, crisis communications, crisis PR, and social media risk. The seasoned team provides critical decision support to organizations of all sizes – ranging from public to private companies – Fortune 100 to sole proprietors – and in all sectors. CrisisRisk empowers clients to make critical decisions and communicate effectively during crisis situations. CrisisRisk has substantial experience handling sexual abuse incidents on behalf of schools, camps, transportation and healthcare providers, religious institutions and not for profit organizations. Managing the consequences of a crisis requires a detailed understanding of what needs to be done and how to do it. Having managed hundreds of crises involving sexual abuse, school and workplace violence, social media attacks, communicable illness outbreaks, breach of fiduciary duty, and natural disasters, CrisisRisk transforms crisis into value.
