

Comprehensive HR Risk Management Services

Your HR team can't be experts in every employment issue that potentially exposes the organization to a lawsuit. BeazleySure provides experienced HR professionals and comprehensive tools and resources to effectively manage your HR risks and address difficult situations as they arise.

HR advice

Unlimited support from a team of HR professionals supervised by employment attorneys makes a perfect sounding board to address HR issues in all 50 states. Smaller employers get specific direction based on their particular circumstances. The law is complicated, and the correct course of action isn't always obvious. BeazleySure provides real-time advice to lower risk.

Employee complaint hotline

As a Beazley insurance policyholder, you have access to a free employee complaint hotline to address and mitigate the risk of unreported employee concerns. Contact us to set up the free employee complaint hotline to:

- Encourage reporting
- Remove roadblocks
- Eliminate retaliation
- Restore confidence
- Enable early detection
- Provide litigation protection.

Training

With the #metoo movement focusing awareness on harassment, training is more important now than ever. Online courses include: harassment/discrimination for supervisors and employees (in English and Spanish), ADA, hiring, termination, retaliation, workforce violence and more.

Online knowledge center

Access over 5,000 resources addressing risks throughout the employment lifecycle including:

- Multi-state compliance charts:
Compare key HR compliance obligations across the USA in one resource, updated regularly by employment attorneys.
- Step-by-step employment checklists and templates:
Save time while helping ensure compliance with HR checklists and templates.
- Sample employee handbooks:
102 handbooks (2 in each state). Stay current on state/federal laws that may require changes to your employee handbook with summaries (twice each year) and related sample policies in both English and Spanish.
