## Beazley sports consortium 9476

### The Beazley difference

- Established in 1995, the consortium offers the largest capacity to write professional sports disability outside North America and is available to write 100% of the majority of risks
- The Lloyd's consortium is made up of seven Lloyd's syndicates, with Beazley acting as the lead underwriter
- Our underwriters work closely with our brokers to build long term client/agency relationships and provide absolute transparency on coverage offered
- Bespoke wordings are designed for each specific sport we cover. Tailored wordings are also available for individuals or sports teams.

### Target

- Individuals
- Teams
