

# Medical Student Professional Liability Insurance

## You asked...

The brokerage community brought to our attention the need for a product that would cover Medical Students for their activities during medical elective programs.

## We listened...

Beazley Canada responded by developing a Medical Student Professional Liability product that provides comprehensive coverage at an affordable rate.

## The product

Designed for Canadian and International medical students participating in Canadian Medical School Elective programs.

**Coverage** – Professional Liability for students while under the supervision of a licensed physician within an elective program.

**Limits available** – \$1M per claim to \$5M per claim limits

**Minimum premium** – \$1150

The application is available on our website – [www.beazley.ca](http://www.beazley.ca)

This product complements our current Healthcare Professional Liability offerings, which include:

- Hospital Professional Liability
- Medical Clinics and Surgical Centres
- Healthcare Professionals
- Family Health Teams.
