Programmes are best administered by coverholders that are experts in their field and understand risk. The key to a successful programme is a long term co-operative relationship on an equal footing.

Programme business from Beazley:

- We look to support specialist MGAs who are experts in their field
- Products include professional and general liability, management liability, employment practices liability and privacy & network security
- Our focus is on industry specific solutions

Programme development is made easier:

- Consideration given to policy forms suggested by the coverholder
- No minimum volume requirement
- Stable and established market
- Experienced underwriters create innovative solutions
- Integrated claims solutions

Target

- Small to mid-sized, niche markets generally underserved
- Specialty products
- Captive distribution market to the coverholder
- Affinity groups

Territories

Worldwide

Limits

US \$5,000,000 per claim
