

# Broker Portal

Cyber risks confronting businesses are ever changing. Beazley has developed a cyber and breach response portal to keep our brokers informed and educated on the constantly evolving threat landscape.

Beazley's cyber and breach response portal, [www.cyber.beazley.com](http://www.cyber.beazley.com), is a comprehensive website on cyber risk issues and includes education and training, regulatory updates and materials for use with clients.

First-time visitors will need to register with a business email address and will be asked to create a password. Once registered, you will have unlimited access to the following resources:

#### Education

- Cyber basics
- Objection handling
- Useful links.

#### Industry exposures

- Healthcare
- Retail
- Hospitality
- Higher education
- Financial institutions
- Manufacturing/wholesale
- Law firms.

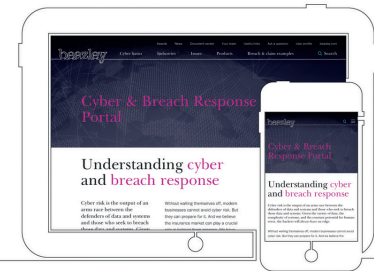

#### Key issues

- Breach notification laws
- Payment card industry
- The Health Insurance Portability and Accountability Act (HIPAA) and the Health Information Technology for Economic and Clinical Health Act (HITECH)

- Cyber vs crime
- Encryption
- Cyber extortion and ransomware
- International issues.

#### Product resources

- Product information
- Breach response service providers
- Breach and claims examples by industry and cause
- Document center – applications, policies, factsheets, whitepapers, risk insights, claims intels
- Underwriter, claims and BBR Services contact details
- News.
