**D. CLAIM PROVISIONS**

1. Notification

*(a) Claims and Regulatory events*

The **insured** must give notice to the **insurer** of any:

- (i) **claim** made against the **insured** during the **policy period**; or
- (ii) **regulatory event** occurring during the **policy period**,

as soon as practicable after the **responsible person** first becomes aware of such **claim** or **regulatory event**, but in no event later than 60 days after the end of the **policy period**, or within any applicable **discovery period**.

The **insured** must also give notice to the **insurer** of any intention on the part of the **insured** to incur **mitigation costs** either prior to such costs being incurred, or in respect of a time critical event, within 14 days of such costs being incurred.

*(b) Circumstances*

The **insured** may, during the **policy period**, notify the **insurer** of any fact or circumstances which may in the reasonable opinion of the **responsible person** give rise to a **claim** or **regulatory event**.

Any notice must include the reasons why the **responsible person** reasonably anticipates that the fact or circumstances may give rise to a **claim** or **regulatory event** and, where available, full particulars of the dates, acts and persons involved.

Any **claim** which is made or **regulatory event** which occurs after the end of the **policy period** and which arises from a circumstance notified in accordance with this clause will be deemed to have been made or have occurred at the same time as the circumstance.

*(c) Crime losses*

Upon **discovery** of a **crime loss**, the **insured**, must:

- (i) give to the **insurer** written notice of that **crime loss**, as soon as practicable following **discovery**, but in no event later than 60 days after the end of the **policy period**, or within any applicable **discovery period**; and
- (ii) file a detailed proof of **crime loss** in a format agreed with the **insurer** within 6 months of such written notice, or within a further period as agreed in writing by the **insurer**.

In the event that the **insured** is prevented from notifying any **claim, regulatory event** or **crime loss** to the **insurer** (after the **insured** has sought consent to do so) due to any legal or regulatory prohibition restricting them from doing so, the **insured** will provide full details of that **claim, regulatory event** or **crime loss** to the **insurer** as soon as such restriction is lifted.

If the **insured** does not give notice to the **insurer** in compliance with this provision D.1 *Notification*, the **insurer** will have no liability under this policy in respect of that **claim, regulatory event, crime loss** or **mitigation costs**.

*(d) Related matters*

A **single event** will be treated by the **insurer** as having been notified when the first of such **claims, regulatory events** or **crime losses** was notified or is deemed to have been notified to the **insurer**, irrespective of whether or not the **insurer** has formally accepted the notice.

*(e) Address for notifications*

All notices must be sent either by e-mail to [flclaims@beazley.com](mailto:flclaims@beazley.com) or by mail to the address below:

2. *Defence and settlement*

*(a) Duties*

The **insured** has the right and duty to defend and contest any:

- (i) **claim** made against them;
- (ii) **regulatory event** commenced against them; or
- (iii) claims made against them for which coverage is afforded under Coverage Extensions B.3(a)(i), B.3(a)(ii) or B.3(a)(vi).

The **insured** will take all reasonable steps to prevent or minimise any **loss**.

The **insurer** will be entitled to participate fully in the conduct of the defence, and at its sole discretion and option, to take over conduct of the defence including settlement negotiations, contribution or indemnification proceedings, in consultation with the **insured**, where it is reasonably likely to involve the **insurer** making any payment under this policy.

*(b) Consent to policy costs*

The **insurer** will not be obliged to pay **defence costs, regulatory costs, mitigation costs** or **legal costs** unless the **insurer** has provided prior written consent to such costs being incurred (except where expressly stated in the policy that prior consent is not first required).

If the **insurer's** prior written consent cannot reasonably be obtained before **defence costs, regulatory costs, mitigation costs** or **legal costs** are incurred, then the **insurer** will give retrospective approval for such reasonable **defence costs, regulatory costs, mitigation costs** or **legal costs** necessarily incurred.

*(c) Advancements*

The **insurer** may, at their sole discretion and option, agree to pay **defence costs, regulatory costs** or **mitigation costs** prior to coverage being confirmed.

*(d) Consent to settlements*

If an **insured** admits liability or compromises or settles any **claim, regulatory event**, demand, suit or legal proceeding without the **insurer's** prior written consent, this policy will afford no cover in connection with that admission, **claim, regulatory event**, demand, suit or legal proceeding.

The **insured** will not be required to receive the **insurer's** consent prior to making any self report or formal written representation to a **regulatory authority**, provided that as soon as legally permitted, the **insured** will seek the consent of the **insurer** in accordance with this clause. The **insurer** will not consider such self report or formal written representation as an admission of liability for the purposes of this clause.

*(e) Uninsured loss*

The **parent company** will reimburse the **insurer** for any payments which are ultimately determined not to be covered under this policy.

3. Allocation

Where a **claim, regulatory event** or **crime loss** involves both parties covered and not covered and/or matters covered and not covered by this policy, a fair and proper allocation shall be made between the **insured** and the **insurer**, taking into account the relative legal and financial exposures attributable to the covered matters or persons and the matters or persons not covered by this policy.

4. Cooperation

The **insured** will give all information and assistance to the **insurer** as it may reasonably require to enable it to investigate any matter notified under this policy and cooperate with the **insurer** in responding to any **claim, regulatory event or crime loss**.

Except where expressly provided for in this policy, these steps will be at the **insured's** own cost.

5. Basis of valuation

**APPLICABLE TO CRIME INSURING CLAUSE AND COVERAGE EXTENSIONS ONLY**

- (a) In calculating the amount payable under this policy for any **crime loss**, deductions will be made in respect of recoveries received from any source. The **retention** will apply to the net figure after making these deductions, but nothing in this clause will be construed to mean that such **crime loss** is not payable under this policy until the net figure has been ascertained
- (b) In no event shall the **insurer** be liable for more than:
- (i) the actual market value of **securities**, foreign funds, currencies or precious metals which will be determined by their closing market value on the last business day prior to the **crime loss** being **discovered** or, if less, the actual cost of replacing the **securities**;
  - (ii) the cost of blank books, blank pages or other materials plus the cost of labour and computer time for the actual transcription or copying of data furnished by the **insured** in order to reproduce **physical records**;
  - (iii) the cost of blank electronic data processing media and the cost of labour for the actual transcription or copying of electronic data furnished by the **insured**, in order to reproduce that electronic data, however if that electronic data cannot be reproduced and represents **securities** or other financial instruments of value, then the **crime loss** will be valued as indicated at sub-paragraphs (i) and (iv) of this clause (b);
  - (iv) the actual cash value of other property at the time the **crime loss** was **discovered**, or the actual cost of repairing or replacing the property with property or material of like quality or value, whichever is less;
  - (v) the value of subscription, redemption, conversion or deposit privileges immediately preceding their expiration;
  - (vi) any interest receivable which exceeds the average Bank of England base rate between the time of sustaining **crime loss** and the date of **discovery** of the **crime loss**.

- (c) In the event that a loss of **securities** is covered by this policy, the **insurer** will, at their election, indemnify the **insured** for either:
- (i) any premium required to be paid by the **insured** to purchase lost instrument bonds; or
  - (ii) an amount which the **insured** may be required to pay either during the **policy period** or any time thereafter by reason of any indemnifying agreement executed by the **insured** in relation to any lost instrument bonds issued or purchased by the **insured**,
- for the reissuing of duplicate securities.
- (d) In calculating **crime loss** as a result of the physical loss of or damage to cancelled cheques, cancelled drafts or cancelled credit card receipts, additional reasonable **employee** expenses necessarily incurred by the **insured** in identifying the depositors of those lost or damaged cancelled items, or in assisting depositors in obtaining duplicates thereof, shall be included.

6. Other insurance

This policy will only pay **loss** that is in excess of any amount recoverable from any more specific crime, civil liability and/or cyber insurance available to the **insured**. As excess insurance this policy will not apply or contribute to the payment of any **loss** until the amounts of that other insurance have been exhausted.

7. Financial interest coverage

The **insurer** will not provide cover for the **loss** of an **uncovered company**. The **insurer** will instead indemnify the **parent company** for its financial interest in such **uncovered company** by way of agreed valuation calculated as the amount of **loss** which would have been payable to the **uncovered company** under this policy, however no indemnity will be provided in respect of any Insuring Clause or Coverage Extension which would have covered the **loss** of any **insured person**. For the purpose of this provision the **parent company** will be deemed to have suffered loss to its financial interest simultaneously with the **uncovered company** which incurred the **loss** for which it would have been entitled to receive indemnity under this policy.

8. Subrogation and recoveries

In the event of any payment under this policy, the **insurer** will be subrogated to all rights and remedies available to the **insured** in connection with that payment and will be entitled to bring proceedings in the name of the **insured**. Whether before or after payment under this policy, the **insured** will take all steps necessary, or required by the **insurer**, to preserve the rights and remedies which the **insured** may have to recover its **loss**.

The **insured** will provide to the **insurer** any assistance in their power as the **insurer** may require to secure the rights and remedies set out above and shall take all steps required by the **insurer**. The **insurer** shall be entitled to take control of all steps taken to recover any covered **loss**, whether or not there is uninsured loss.

Any amounts recovered will be applied in the following order:

- (a) to recompense the **insured** and the **insurer** for any costs incurred in bringing proceedings against the third party;
- (b) then to the **insured** for the amount of any **loss** which exceeds the **limit of liability**;
- (c) then to the **insurer** up to the amount of the **loss** paid by the **insurer** and the **limit of liability** will be reinstated for such amounts; and
- (d) then to the **insured** to reimburse the **retention**.

The **insurer** agrees not to exercise its rights of recovery against any **insured person** unless the payments made by the **insurer** under this policy are brought about or contributed to by any dishonest or fraudulent act or omission or intentional breach of any laws on the part of that **insured person**.

## E. GENERAL CONDITIONS

### 1. Limit of liability

The **limit of liability** is the maximum amount payable by the **insurer** under this policy in respect of all **insureds**, Insuring Clauses and Coverage Extensions. However, the **limit of liability** will be automatically reinstated in the event of erosion or exhaustion by payment of **loss** to the extent of such erosion or exhaustion. Such reinstated **limit of liability** will only apply once the limit of liability of all insurance policies sitting excess of this policy have been exhausted.

The **insurer** will not be liable for more than the **limit of liability** in respect of all **loss** arising from a **single event** and twice the **limit of liability** in respect of all **loss** payable under this policy (in the event of a reinstatement).

Any **loss** paid by the **insurer** under this policy will erode the **limit of liability**.

Where any sub-limit is specified in the policy or schedule, the **insurer** will have no liability in excess of that sub-limit. Any sub-limit will be part of and not in addition to the **limit of liability**.

In the event that a **crime loss** is sustained by any **plan** that is covered under this policy, payment will be made by the **insurer** to the trustees of that **plan** for and on behalf of the beneficiaries.

2. Retention

The **insurer** will be liable only for that part of any **loss** which exceeds the **retention**.

Only one **retention**, being the largest, will be applied to the aggregate amount of **loss** arising from a **single event** which is covered under more than one Insuring Clause.

In respect of **mitigation costs**, a single **retention** will apply to all anticipated **claims** arising out of, based upon or attributable to the same originating cause, source or event.

The **retention** will not apply in respect of any **crime loss** sustained or incurred by a **plan** where that **plan** is required by law to comply with the Employee Retirement Income Security Act 1974 (ERISA) (U.S.A.).

3. Change of control / acquisitions

In the event of a **change of control** of a **company** or **plan** or acquisition of a **subsidiary**, no cover under this policy will apply for any:

- (a) **claim** against that **company, subsidiary** or their **insured persons**, which arises from a **wrongful act**;
- (b) **regulatory event** concerning that **company, subsidiary** or their **insured persons**, which arises out of any conduct; or
- (c) any **crime loss** of that **company, subsidiary** or their **plans**,

that occurred or was sustained after such **change of control** or first commenced or was sustained before such acquisition.

The **parent company** will, as soon as practicable, give the **insurer** written notice of any **change of control** which takes place in respect of the **parent company**.

4. Employee dishonesty post discovery

**APPLICABLE TO CRIME INSURING CLAUSE AND COVERAGE EXTENSIONS ONLY**

Cover under this policy shall cease in respect of any subsequent acts of any **employee**, as soon as any **responsible person**, not in collusion with that **employee**, **discovers** the commission of a dishonest, fraudulent, malicious or criminal act by such **employee** which could reasonably be foreseen to give rise to a **crime loss**, but without prejudice to the loss of **valuable property** in transit in the custody of the **employee** at the time of **discovery**.

5. Discovery period

If this policy is not renewed or replaced the **insured** will be entitled:

- (a) to an automatic **discovery period** of 60 days; and
- (b) to purchase an optional **discovery period** for a longer period as specified in the Schedule, provided that written notice is given to the **insurer** by the **parent company** within 30 days after the end of the **policy period** and any additional premium specified by the **insurer** is paid within 45 days of the end of the **policy period**.

The automatic **discovery period** is part of and not in addition to any optional **discovery period** purchased by the **insured**.

The **discovery period** is non-cancellable and the premium for the optional **discovery period** is deemed fully earned at the inception date of the optional **discovery period**.

In the event of a **change of control** of the **parent company**, the **parent company** is entitled to purchase a 72 month **discovery period** on such terms and conditions and for such additional premium as the **insurer** requires.

Any **discovery period** does not increase the **limit of liability**, and any payments made with respect to **claims**, **regulatory events** and **crime losses** during the **discovery period** will be part of the **limit of liability**.

6. Cancellation

If the premium due under this policy has not been paid to the **insurer** within 60 days of the inception of the **policy period** or, where premium is due to be paid by instalments, by the date on which an instalment is due, the **insurer** will have the right to cancel this policy with effect from inception by notifying the **parent company** in writing direct or via the insurance broker.

The tribunal may in its sole discretion make such orders and directions as it considers to be necessary for the final determination of the matters in dispute. The tribunal will have the widest discretion permitted under the laws of England and Wales when making such orders or directions and the decision of the tribunal will be final. The arbitration will be held in London.

The **insurer** will not be liable to provide any cover, benefit or pay any claim under this policy to the extent that the provision of such cover, benefit or payment of such claim would expose the **insurer** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.
