D. CLAIM PROVISIONS

1. Notification

(a) Claims and insured events

The **insured** must give notice to the **insurer** of any:

- (i) **claim** made against the **insured** during the **policy period**; or
- (ii) **insured event** occurring during the **policy period**,

as soon as practicable after the **responsible person** first becomes aware of such **claim** or **insured event** but in no event later than 60 days after the end of the **policy period**, or within any applicable **discovery period**.

In the event that the **insured** is prevented from notifying any **claim** or **insured event** to the **insurer** (after the **insured** has sought consent to do so) due to any legal or regulatory prohibition restricting them from doing so, the **insured** must provide full details of the **claim** or **insured event** to the **insurer** as soon as such restriction is lifted.

If the **insured** does not give notice to the **insurer** in compliance with this provision D.1(a) *Claims and insured events*, the **insurer** will have no liability under this policy in respect of that **claim** or **insured event**.

(b) Circumstances

The **insured** may, during the **policy period**, notify the **insurer** of any fact or circumstances which in the reasonable opinion of the **responsible person** may give rise to a **claim** or an **insured event**.

Any notice must include the reasons why the **responsible person** reasonably anticipates that the fact or circumstances may give rise to a **claim** or an **insured event** and, where available, full particulars of the dates, acts and persons involved.

Any **claim** which is made or **insured event** which occurs after the end of the **policy period** and which arises from a circumstance notified in accordance with this clause will be deemed to have been made or have occurred at the same time as the circumstance.

(c) Related matters

A **single event** will be treated by the **insurer** as having been notified when the first of such **claims** or **insured events** was notified or is deemed to have been notified to the **insurer**, irrespective of whether or not the **insurer** has formally accepted the notice.

(d) Address for notifications

All notices must be sent either by e-mail to flclaims@beazley.com or by mail to the address below:

Financial Lines Claims
Beazley Plc
Plantation Place South,
60 Great Tower Street,
London,
EC3R 5AD

2. *Defence and settlement*

(a) Duties

The **insured** has the right and duty to defend and contest any **claim** made against them, or any **insured event** commenced against them, and will take all reasonable steps to prevent or minimise any **loss**.

The **insurer** will be entitled to participate fully in the conduct of the defence, including settlement negotiations, contribution or indemnification proceedings, where it is reasonably likely to involve the **insurer** making any payment under this policy.

(b) Consent to policy costs

The **insurer** will not be obliged to pay any **policy costs** provided under this policy unless the **insurer** has provided prior written consent to such **policy costs** being incurred (except where expressly stated in the policy that prior consent is not first required).

If the **insurer's** prior written consent cannot reasonably be obtained before **policy costs** (not including **mitigation costs**) are incurred, then the **insurer** will give retrospective approval for such reasonable **policy costs** necessarily incurred.

(c) Advancements

The **insurer** will, upon the written request of an **insured**, advance **defence costs** prior to coverage being confirmed.

(d) Consent to settlements

If an **insured** admits liability or compromises or settles any **claim** or **insured event** without the **insurer's** prior written consent, this policy will afford no cover to that **insured** in connection with that admission, **claim** or **insured event**.

The **insured** will not be required to receive the **insurer's** consent prior to making any self report or formal written representation to a **regulatory authority**, provided that, as soon as legally permitted, the **insured** will seek the consent of the **insurer** in accordance with this clause. The **insurer** will not consider such self report or formal written representation as an admission of liability for the purposes of this clause.

(e) Uninsured loss

The **insured** will reimburse the **insurer** for any payments which are ultimately determined not to be covered under this policy.

3. Allocation

Where a **claim** or **insured event** involves both parties covered and not covered and/or matters covered and not covered by this policy, a fair and proper allocation shall be made between the **insured** and the **insurer**, taking into account the relative legal and financial exposures attributable to the covered matters or persons and the matters or persons not covered by this policy.

4. Cooperation

The **insured** will give all information and assistance to the **insurer** as it may reasonably require to enable it to investigate any matter notified under this policy and cooperate with the **insurer** in responding to any **claim** or **insured event**.

Except where expressly provided for in this policy, these steps will be at the **insured's** own cost. The failure of any **insured person** to give the **insurer** the information and assistance which it may reasonably require will not impair the rights of any other **insured person** under this policy.

5. Other insurance

This policy will only pay **loss** that is in excess of any amount recoverable from any more specific directors' and officers'/management liability or pension trustee/fiduciary liability insurance available to the **insured**. As excess insurance, this policy will not apply or contribute to the payment of any **loss** until the amounts of that other insurance have been exhausted.

6. Financial interest coverage

The **insurer** will not provide cover for the **loss** of an **uncovered company**. The **insurer** will instead indemnify the **parent company** for its financial interest in such **uncovered company** by way of agreed valuation calculated as the amount of **loss** which would have been payable to the **uncovered company** under this policy, however no indemnity will be provided in respect of any Insuring Clause or Coverage Extension which would have covered the **loss** of any **insured person**. For the purpose of this provision the **parent company** will be deemed to have suffered loss to its financial interest simultaneously with the **uncovered company** which incurred the **loss** for which it would have been entitled to receive indemnity under this policy.

7. Subrogation and recoveries

In the event of any payment under this policy, the **insurer** will be subrogated to all rights and remedies available to the **insured** in connection with that payment and will be entitled to bring proceedings in the name of the **insured**. Whether before or after payment under this policy, the **insured** will take all steps necessary, or required by the **insurer**, to preserve the rights and remedies which the **insured** may have to recover its **loss**.

The **insured** will provide to the **insurer** any assistance in their power as the **insurer** may require to secure the rights and remedies set out above and shall take all steps required by the **insurer**. The **insurer** shall be entitled to take control of all steps taken to recover any covered **loss**, whether or not there is uninsured loss.

Any amounts recovered will be applied in the following order:

- (a) to recompense the **insured** and the **insurer** for any costs incurred in bringing proceedings against the third party;
- (b) then to the **insured** for the amount of any **loss** which exceeds the **limit of liability**;
- (c) then to the **insurer** up to the amount of the **loss** paid by the **insurer** and the **limit of liability** will be reinstated for such amounts; and
- (d) then to the **insured** to reimburse the **retention**.

The **insurer** agrees not to exercise its rights of recovery against any **insured person** unless the payments made by the **insurer** under this policy are brought about or contributed to by the deliberately dishonest act or omission of that **insured person**.

8. Priority of payments

If **loss** is payable under more than one Insuring Clause or Coverage Extension, then the **insurer** will pay such **loss** as follows:

- (a) first, the **insurer** will pay the **loss** of the **insured person** where the **company** has not indemnified the **insured person** for such **loss**;
- (b) second, the **insurer** will pay the **loss** of the **insured person** where the **company** has indemnified the **insured person** for such **loss**; and
- (c) third, the **insurer** will make such other payments which the **insurer** may be liable to make to the **company**.

E. **GENERAL CONDITIONS**

1. Limit of liability

The **limit of liability** is the maximum amount payable by the **insurer** under this policy in respect of all **insureds**, Insuring Clauses and Coverage Extensions. However, the **limit of liability** will be automatically reinstated in the event of erosion or exhaustion by payment of **loss** to the extent of such erosion or exhaustion. Such reinstated **limit of liability** will only apply to the coverage afforded under Insuring Clause A.1 and only after the limit of liability of all insurance policies sitting excess of this policy have been exhausted.

The **insurer** will not be liable for more than the **limit of liability** in respect of all **loss** arising from a **single event** and twice the **limit of liability** in respect of all **loss** payable under this policy (in the event of a reinstatement).

Any **loss** paid by the **insurer** under this policy will erode the **limit of liability**.

Where any sub-limit is specified in the policy or schedule, the **insurer** will have no liability in excess of that sub-limit.

Any sub-limit will be part of and not in addition to the **limit of liability**.

2. Retention

The **retention** will apply to:

- (a) all **loss** to which indemnification of an **insured person** by the **company** is legally required or permitted, whether or not actual indemnification is made, unless such indemnification is not made by the **company** solely by reason of its financial insolvency, in which case no retention will apply.
- (b) all other **loss** incurred by the **company**.

The **insurer** will be liable only for that part of any covered **loss** which exceeds the **retention**.

With respect to the **company's** indemnification of **insured persons**, the certificate of incorporation, charter, by-laws, articles of association, or other organisational documents of the **parent company** and each **subsidiary** will be deemed to permit indemnification of the **insured persons** to the fullest extent allowable by law.

In the event a **company** refuses in writing to indemnify the **insured persons** for **policy costs** or fails to indemnify the **insured persons** for **policy costs** within 60 days of a request for indemnification, then the **insurer** will advance such **policy costs**, provided that the **insurer** will be entitled to seek recovery from the **company** for such **policy costs** up to the amount of the **retention**. The **insurer** will be entitled to offset such **policy costs** against any sums due from the **insurer** to the **company**.

Only one **retention**, being the largest, will be applied to the aggregate amount of **loss** arising from a **single event**.

In respect of **mitigation costs**, a single **retention** will apply to all anticipated **claims** arising out of, based upon or attributable to the same originating cause, source or event.

3. Change of control / acquisitions

In the event of a **change of control** of a **company** or acquisition of a **subsidiary**, no cover under this policy will apply for any:

- (a) **claim** against that **company, subsidiary** or their **insured persons**, which arises from a **wrongful act**; or
- (b) **insured event** concerning that **company, subsidiary** or their **insured persons**, which arises out of any conduct,

that occurred after such **change of control** or first commenced before such acquisition.

The **parent company** will, as soon as practicable, give the **insurer** written notice of any **change of control** which takes place in respect of the **parent company**.

4. Discovery period

If this policy is not renewed or replaced the **insured** will be entitled:

- (a) to an automatic **discovery period** of 60 days;
- (b) to purchase an optional **discovery period** for a longer period as specified in the Schedule, provided that written notice is given to the **insurer** by the **parent company** within 30 days after the end of the **policy period** and any additional premium specified by the **insurer** is paid within 45 days of the end of the **policy period**; and
- (c) to an unlimited **discovery period** in the event such **insured** is a **retired insured person**.

The automatic **discovery period** is part of and not in addition to any optional **discovery period** purchased by the **insured**.

The **discovery period** is non-cancellable and the premium for the optional **discovery period** is deemed fully earned at the inception date of the optional **discovery period**.

In the event of a **change of control** of the **parent company**, the **parent company** is entitled to purchase a 72 month **discovery period** on such terms and conditions and for such additional premium as the **insurer** requires.

Any **discovery period** does not increase the **limit of liability**, and any payments made with respect to **claims** and **insured events** during the **discovery period** is part of the **limit of liability**.

5. Cancellation

If the premium due under this policy has not been paid to the **insurer** within 60 days of the inception of the **policy period** or, where premium is due to be paid by instalments, by the date on which an instalment is due, the **insurer** will have the right to cancel this policy with effect from inception by notifying the **parent company** in writing direct or via the insurance broker.

The **insurer** will give not less than 30 days prior notice of such cancellation. If the premium due is paid in full to the **insurer** before the notice period expires, notice of cancellation will automatically be revoked.

If any additional premium due under the terms of this policy or in respect of any amendment to the terms of this policy is not paid within 30 days of the date on which it is due to be paid, the **insurer** will not have any liability in respect of the additional rights which were to have been purchased by the **insured** by payment of the additional premium.

6. Authorisation and notices

The **parent company** will act on behalf of all **insureds** in connection with all matters relevant to this policy unless the **parent company** is insolvent in which event the remaining entities will agree with the **insurer** as to which one of them will act on behalf of all **insureds**.

Subject to the other provisions of this policy, this clause does not preclude an **insured person** from notifying the **insurer** of a **claim, insured event** or circumstance in accordance with the notification provision in this policy.

7. Third parties

Nothing in this policy is intended to confer a directly enforceable benefit on any third party other than an **insured**.

8. Assignment

Neither this policy nor any right under it may be assigned without the prior written consent of the **insurer**.

9. Policy interpretation

This policy, its schedule and any endorsements are one contract in which, unless the context otherwise requires:

- (a) headings and subheadings are descriptive only, solely for convenience, not an aid to interpretation and form no part of the terms and conditions of coverage;
- (b) the singular includes the plural, and the masculine includes the feminine, and vice versa;
- (c) "Including" and "include(s)" means without limitation;
- (d) references to specific legislation include amendments to and re-enactments of that legislation and any similar or equivalent legislation in the relevant jurisdiction;
- (e) references to positions, offices or titles will include their equivalents in any jurisdiction;
- (f) if any provision of this policy is or becomes void or illegal, is invalid or unenforceable by a court or other competent body under the law of any applicable jurisdiction, such provision will be deleted. The **insurer** and the **insured** will use their best efforts to agree a replacement for the provision which achieves as far as possible the same effect as would have been achieved by the deleted provision.

10. Governing law

This policy will be governed by and construed in accordance with the laws of England and Wales.

11. Arbitration clause

All disputes and differences between the **insured** and the **insurer** which arise under or in connection with this policy will be referred to arbitration under ARIAS Arbitration Rules (U.K.).

The arbitration tribunal will consist of three arbitrators, one to be appointed by the **insured**, one to be appointed by the **insurer** and the third to be appointed by the two appointed arbitrators.

The third member of the tribunal will be appointed as soon as practicable (and no later than 28 days) after the appointment of the two party-appointed arbitrators. The tribunal will be constituted upon the appointment of the third arbitrator. The arbitrators will be persons (including those who have retired) with not less than ten years' experience of insurance or reinsurance within the industry or as lawyers or other professional advisers serving the industry.

Where the **insured** or the **insurer** fail to appoint an arbitrator within 14 days of being called upon to do so or where the two party-appointed arbitrators fail to appoint a third within 28 days of their appointment, then ARIAS will appoint an arbitrator to fill the vacancy. At any time prior to the appointment by ARIAS the party or arbitrators in default may make such appointment.

The tribunal may in its sole discretion make such orders and directions as it considers to be necessary for the final determination of the matters in dispute. The tribunal will have the widest discretion permitted under the laws of England and Wales when making such orders or directions and the decision of the tribunal will be final. The arbitration will be held in London.

12. Duty of fair presentation

The **insurer** expects the **insured** to comply with their duty to make a fair presentation of the risk in accordance with the Insurance Act 2015 (U.K.). In the event that there has been a breach of the duty of fair presentation, the **insurer** will not exercise any available remedies under the Insurance Act 2015 (U.K.) for any breach that was free of any fraudulent conduct or intent to deceive.

The knowledge or act, error or omission of any **insured person** will not be imputed to any other **insured person**. The knowledge of each **responsible person** will be imputed to all **companies**.

13. Insurer's consent

Where the **insured** is required under this policy to seek the consent of the **insurer**, the **insurer** will not unreasonably withhold, delay or deny such consent.

14. Sanction limitation

The **insurer** will not be liable to provide any cover, benefit or pay any claim under this policy to the extent that the provision of such cover, benefit or payment of such claim would expose the **insurer** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.
