The **parent company** will reimburse the **insurer** for any payments which are ultimately determined not to be covered under this policy.

3. Allocation

Where a **claim, regulatory event** or **loss** involves both parties covered and not covered and/or matters covered and not covered by this policy, a fair and proper allocation shall be made between the **insured** and the **insurer**, taking into account the relative legal and financial exposures attributable to the covered matters or persons and the matters or persons not covered by this policy.

 - (iv) the actual cash value of other property at the time the **crime loss** was **discovered**, or the actual cost of repairing or replacing the property with property or material of like quality or value, whichever is less;
 - (v) the value of subscription, redemption, conversion or deposit privileges immediately prior to their expiry;
 - (vi) any interest receivable which exceeds the average Bank of England base rate between the time of sustaining **crime loss** and the date of **discovery** of the **crime loss**.

- (c) In the event that a loss of **securities** is covered by this policy, the **insurer** will, at their election, indemnify the **insured** for either:
- (i) any premium required to be paid by the **insured** to purchase lost instrument bonds; or
 - (ii) an amount which the **insured** may be required to pay either during the **policy period** or any time after by reason of any indemnity agreement executed by the **insured** in relation to any lost instrument bonds issued or purchased by the **insured**,

6. Other insurance

This policy will only pay **loss** that is in excess of any amount recoverable from a more specific crime, civil liability and/or cyber insurance available to the **insured**. As excess insurance this policy will not apply or contribute to the payment of any **loss** until the amounts of that other insurance have been exhausted.

7. Financial interest coverage

The **insurer** will not provide cover for the **loss** of an **uncovered company**. The **insurer** will instead reimburse the **parent company** for its financial interest in such **uncovered company** by way of agreed valuation calculated as the amount of **loss** which would have been payable to the **uncovered company** under this policy had the **uncovered company** been insured under this policy however no payment will be made in respect of any Insuring Clause or Coverage Extension which would have covered the **loss** of any **insured person** in respect of their role for the **uncovered company**. For the purpose of this provision the **parent company** will be deemed to have suffered loss to its financial interest simultaneously with the **uncovered company** which incurred the **loss** for which it would have been entitled to receive cover under this policy.

8. Subrogation and recoveries

Following a payment under this policy, the **insurer** will be subrogated to all rights and remedies available to the **insured** in connection with that payment therefore the **insurer** has the right to seek recovery of that payment from a third party and will be entitled to bring proceedings in the name of the **insured**.

Whether before or after payment under this policy, the **insured** will take all steps necessary, or required by the **insurer**, to preserve the rights and remedies which the **insured** may have to recover its **loss**.

The **insured** will provide to the **insurer** any assistance the **insurer** may require to secure the rights and remedies set out above. The **insurer** shall be entitled to take control of all steps taken to recover any loss.

Any amounts recovered will be applied in the following order:

- (a) to reimburse costs incurred in bringing proceedings against the third party;
- (b) then to the **insured** for the amount of any **loss** which exceeds the **limit of liability**;
- (c) then to the **insurer** up to the amount of the **loss** paid by the **insurer** and the **limit of liability** will be reinstated for such amounts; and
- (d) then to the **insured** to reimburse the **retention**.

The **insurer** agrees not to exercise its rights of recovery against any **insured person** unless the payments made by the **insurer** under this policy are brought about or contributed to by any dishonest or fraudulent act or omission or intentional breach of any laws on the part of that **insured person**.

E. General Conditions

1. Limit of liability

The **limit of liability** is the maximum amount payable by the **insurer** under this policy in respect of all **insureds**, Insuring Clauses and Coverage Extensions. However, the **limit of liability** will be automatically reinstated in the event of erosion or exhaustion by payment of **loss** to the extent of such erosion or exhaustion. Such reinstated **limit of liability** will only apply once the limit of liability of all insurance policies sitting excess of this policy have been exhausted.

The **insurer** will not be liable for more than the **limit of liability** in respect of all **loss** arising from a **single event** and twice the **limit of liability** in respect of all **loss** payable under this policy (in the event of a reinstatement).

Any **loss** paid by the **insurer** under this policy will reduce the **limit of liability**.

Where any sub-limit is specified in the policy or schedule, the **insurer** will have no liability in excess of that sub-limit. Any sub-limit will be part of and not in addition to the **limit of liability**.

In the event that a **crime loss** is sustained by any **plan** that is covered under this policy, payment will be made by the **insurer** to the trustees of that **plan** for and on behalf of the beneficiaries.

2. Retention

The **insurer** will be liable only for that part of any **loss** which exceeds the **retention**.

If more than one **retention** is applicable to the total amount of **loss** arising from a **single event**, the sum of such retention amounts shall not exceed the largest applicable **retention** amount.

In respect of **mitigation costs**, a single **retention** will apply to all anticipated **claims** arising out of, based upon or attributable to the same originating cause, source or event.

The **retention** will not apply in respect of any crime loss sustained or incurred by a **plan** where that **plan** is required by law to comply with the Employee Retirement Income Security Act 1974 (ERISA) (U.S.A.).

3. Change of control / acquisitions

The **insurer** will have no liability to indemnify the **insured** for **crime loss** resulting from such dishonest, fraudulent, malicious or criminal acts after the date they were **discovered**.

In the event of a **change of control** of the **parent company**, the **parent company** is entitled to purchase a 72 month **discovery period** on such terms and conditions and for such additional premium as the **insurer** requires.

Any **discovery period** does not increase the **limit of liability**, and any payments made with respect to **claims, regulatory events** and **crime losses** during the **discovery period** will be part of the **limit of liability**.

6. Cancellation

If the premium due under this policy has not been paid to the **insurer** within 60 days of the inception of the **policy period** or, where premium is due to be paid by instalments, by the date on which an instalment is due, the **insurer** will have the right to cancel this policy with effect from inception by notifying the **parent company** in writing direct or via the insurance broker.

The **insurer** will give not less than 30 days prior notice of such cancellation. If the premium due is paid in full to the **insurer** before the notice period expires, notice of cancellation will automatically be revoked.

If any additional premium due under the terms of this policy or in respect of any amendment to the terms of this policy is not paid within 30 days of the date on which it is due to be paid, the **insurer** will not have any liability in respect of the additional rights which were to have been purchased by the **insured** by payment of the additional premium.
