The voice of insurance

October 17, 2023

Published by The Voice of Insurance

In this podcast episode by The Voice of Insurance, you will hear from our Global Head of Cyber Risk, **Paul Bantick**, sharing insights and perspectives on the current state and future direction of the cyber insurance market.

Paul Bantick discusses some of the key topics and challenges that cyber underwriters are facing today, such as:

- How to maintain rate discipline and profitability in a competitive market
- How to clarify and communicate cyber war coverage and exclusions
- How to manage systemic risk and develop a cyber catastrophe market
- How to leverage capital markets and alternative risk transfer solutions, such as our cyber cat bond - Cairney

This podcast episode by The Voice of Insurance is a must-listen for anyone interested in cyber insurance. You will get a comprehensive update on the most exciting class of business in the insurance world.
