

Recommended offer for Beazley Plc.

Accelerating our strategy and creating
the global leader in Specialty insurance

March 2, 2026

Key messages

Scale and leadership
in Specialty

Creates the global leader with combined ~USD 15bn of Specialty GWP, full range of highly attractive products, top-tier talent, best-in-class financial strength, and enhanced distribution capabilities

Complementary capabilities
in growing markets

Highly attractive portfolio combining Beazley's strength in Cyber, Marine, E&S, Political Risk, Fine Art & Specie and Financial lines, with Zurich's strength in Construction & Engineering, Energy and Captives market

Expanded market reach
and distribution

Expands Zurich's addressable market with a broader Specialty product range and access to Lloyd's. Increased ability to support clients in secular growth areas such as infrastructure, technology and complex global risks

Shared culture of
underwriting excellence

Two leading underwriting companies with a track record of delivering consistent superior returns. Creates a world class platform to attract and retain exceptional talent

Unlocks growth and
synergies

Generates substantial value through expanded revenue growth, annual ~USD 150m cost synergies before tax by 2029, as well as a one-off capital extraction of ~USD 1.0bn in the first 2 years

Enhances shareholder
value

Financially compelling transaction with mid-single digit % Core EPS accretion from the first full year post completion, and double-digit ROI in the medium term, accelerating Zurich's journey to exceed its financial targets for 2025-2027

Transaction overview

Offer Terms

- ✓ **Total value of 1,335 pence per Beazley share:**
 - A cash consideration of 1,310 pence, and
 - Beazley paying its shareholders a FY-25 permitted dividend of 25 pence prior to completion

- ✓ **The cash consideration of 1,310 pence represents:**
 - A premium of 59.8% to Beazley's undisturbed closing price of 820 pence on 16 January 2026¹
 - A premium of 59.4% to Beazley's volume weighted average share price of 822 pence for the 30-day period ended on 16 January 2026¹
 - A premium of 34.6% to Beazley's all-time high share price, prior to the offer period, of 973 pence on 6 June 2025
 - An implied P/TNAV of 2.44x (based on net tangible assets per share of 536.1 pence as of 30 June 2025)
 - An implied 10.8x multiple of earnings (based on basic EPS for 12 months prior to 30 June 2025)

Transaction Structure

Acquisition of 100% of the outstanding shares of Beazley by Zurich² in cash

Funding

Total consideration equal to USD 10.9bn³, to be funded via existing cash (~USD 3.0bn), new debt facilities (~USD 2.9bn) and an equity raise (~USD 5.0bn)

Growth and synergies

~USD 150m annual cost synergies before tax by 2029. One-off capital synergies of ~USD 1.0bn in the first 2 years. In addition, at least USD 1.0bn annual incremental revenue growth opportunities in the medium term

Financial Impacts

Delivering mid-single digit EPS accretion from the first full year post completion. Double-digit ROI in the medium-term and anticipated impact of about -30ppts on the SST ratio post completion

Approvals and timing

Completion is subject to Beazley's shareholder vote (requiring the approval of a majority in number and ≥75% of votes cast) alongside standard conditions, including customary regulatory and antitrust approvals with closing expected in H2-26

¹ Being the last business day prior to the offer period.

² It is intended that Zurich Insurance Company Ltd, a wholly owned subsidiary of Zurich Insurance Group Ltd and the ultimate operating company of the Zurich Group, will be the designated acquirer of the Beazley shares.

³ Total expected cash consideration at completion based on diluted number of shares of 615m (including shares already purchased by Zurich) plus estimated 2026 awards of 5m. Exchange rate: GBP 1 = USD 1.3447.

Combination to deliver meaningful synergies

Cost synergies

Run-rate
~**USD 150m**
before tax by 2029

- Reduced spend on Zurich's planned organic Specialty build-out
- Reduction in procurement and outsourcing expenses
- Rationalization of real estate and non-personnel spend
- Limited reduction in roles across support functions on both sides, partially compensated by natural attrition

Capital synergies

One-off capital
extraction of
~**USD 1.0bn**
in the first
2 years

- Implementation of Zurich's capital management strategy in operating entities in addition to the expected yearly cash upstream from Beazley's profit generation
- Remittance of excess capital
- Integration of internal reinsurance with existing Zurich program, increasing fungibility and diversification benefits

Complementary strengths driving long-term growth
