Additional Coverage

Safeguard Coverage

To pay, at the **insurance company's** sole discretion, any **safeguard costs** resulting from any **circumstance** which the **insureds** first become aware of during the **policy period**, provided that, as a condition to coverage:

- (a) such **circumstance** is reported to the **insurance company** in accordance with the Claim Requirements and Information section, but in no event later than 72 hours after a **responsible person** becomes aware of such **circumstance**; and
- (b) the **insured organization** enters into a formal written agreement with the **safeguard service provider** within 24 hours of the **insurance company** appointing such **safeguard service provider**.

Exclusions from Cover

The **insurance company** will not be liable for any **loss** in connection with or resulting from:

Assumed Liability

any **claim** or **circumstance** arising out of, based upon, attributable to or in any way involving any liability of others assumed by the **insured** under any contract or agreement, either oral or written, including any hold harmless or indemnity agreements.

This Exclusion will not apply to the extent the **insured** would have been liable in the absence of such contract or agreement.

Employment-Related Practices

that part of any **claim** or **circumstance** arising out of, based upon, attributable to or in any way involving any employment-related practice, policy, act or omission which does not otherwise constitute a **wrongful act**.

Indemnity to Perpetrator

any **claim** against any **insured person** who personally committed, participated in or assisted in any act of **sexual abuse and molestation**.

This Exclusion will not apply to any **defense costs** incurred by such **insured person** until such time as:

- (a) such **insured person** is judicially determined to have committed, participated in or assisted in any act of **sexual abuse and molestation**; or
- (b) such **insured person** admits in any context to having committed, participated in or assisted in any act of **sexual abuse and molestation**.

Insured against Insured

any **claim** brought by or on behalf of any **insured**.

Prior and Pending

any **claim** arising out of, based upon, attributable to or in any way involving any **circumstance**, written demand for monetary damages, litigation, arbitration, administrative or other proceeding which was alleged or brought against an **insured** prior to the **prior and pending date**, or any **wrongful act** or fact or circumstance underlying or alleged therein.

Prior Knowledge of Acts of Sexual Abuse and Molestation

any **claim** or **circumstance** if, prior to the date of the **wrongful act** giving rise to such **claim** or **circumstance**, any **insured** was aware of any allegation or complaint of any act of **sexual abuse and molestation** being made against the same **insured person** as accused in such **claim** or **circumstance**.

- (b) any act of **sexual abuse and molestation** which is considered **related acts of sexual abuse and molestation** of which notice of the earlier such act of **sexual abuse and molestation** has been provided prior to the **policy period** under any other policy.

Limit of Liability

The Limit of Liability specified in Declarations under part (a) is the maximum amount payable by the **insurance company** for all **loss** under this Policy in respect of all **claims** against the **insureds** brought by or on behalf of each **victim**.

The Limit of Liability specified in Declarations under part (b) is the maximum amount payable by the **insurance company** for all **loss** under this Policy in respect of all **claims** against the **insureds** brought by all **victims**.

The Sub-Limit of Liability specified in Declarations under part (c) is the maximum amount payable by the **insurance company** for all **safeguard costs** under this Policy in respect of all **circumstances**.

Any **loss** paid by the **insurance company** under this Policy will reduce all applicable Limits of Liability.

Where any Sub-Limit of Liability is specified in this Policy or the Declarations, the **insurance company** will have no liability in excess of such Sub-Limit of Liability. Any Sub-Limit of Liability will be part of, and not in addition to, the Limit of Liability.

The **insurance company** will not be obligated to pay any **loss**, or defend any **claim**, after the applicable Limits of Liability have been exhausted, or after deposit of the Limit of Liability in a court of competent jurisdiction.

Retention

The Retention specified in the Declarations will apply separately for **claims** brought by or on behalf of each **victim**, and the **insurance company** will be liable only for **loss** in excess of that amount.

The Retention for each **victim** will be satisfied by monetary payments of **loss** by the **insured**.

No Retention will apply to **safeguard costs**.

Claim Requirements and Information

Notification of Claims

As a condition to coverage under this Policy, the **insured** must give notice to the **insurance company** of any **claim** as soon as practicable but in no event later than 30 days after any **responsible person** first becomes aware of such **claim** or 30 days after the end of the **policy period** (whichever date is earlier).

Notification of Circumstances

The **insured** may during the **policy period** notify the **insurance company** of any **circumstance**.

Any notice must include:

- (a) the reasons why the **insured** reasonably anticipates that such **circumstance** could give rise to a **claim**, and

(b) full particulars of the dates, acts and persons involved (where available).

If a **claim** is made after the end of the **policy period** and arises from a **circumstance** reported in accordance with this provision, then such **claim** will be deemed to have been made at the same time as the **circumstance** was reported to the **insurance company**.

Related Claims

All **related claims**:

- (a) are deemed a single **claim** for the purposes of this Policy, irrespective of the number of **insured's** involved in the **claim**, and
- (b) are deemed to have been made at the time of the first such **claim**, and
- (c) will be treated by the **insurance company** as having been reported when the first of such **claims** was reported or is deemed to have been reported to the **insurance company**, and
- (d) will be subject to a single Retention.

Related Acts of Sexual Abuse and Molestation

All **related acts of sexual abuse and molestation**:

- (a) are deemed a single act of **sexual abuse and molestation** for the purposes of this Policy, irrespective of the number of **insured's** involved, and
- (b) are deemed to have been first committed at the time of the first such act of **sexual abuse and molestation**.

Notice to the Insurance Company

All notices to the **insurance company** must be sent either by e-mail to or by mail to the address specified in the Declarations.

Defense, Safeguard Costs and Settlement

(a) Duties

The **insurance company** has the right and duty to defend any **claim** against the **insured** seeking **loss** which is payable under the terms of this Policy, even if any part of such **claim** is groundless, false or fraudulent.

(b) Selection of defense counsel and consent to **defense costs** and **safeguard costs**

The **insurance company** has the right to select defense counsel and will not be obligated to pay **defense costs** or **safeguard costs** unless it has given prior written consent to such **defense costs** or **safeguard costs** being incurred.

(c) Repayment of **defense costs**

To the extent it is established that any **defense costs** paid by the **insurance company** are not covered in whole or in part under this Policy, the **named insured** shall repay such **defense costs** to the **insurance company**.

(d) Settlement of **claims**

The **insured** will not admit liability, make any payment, assume any obligation, incur any expense, make an offer to settle or agree to any settlement, stipulate to any judgment or dispose of any **claim** without the prior written consent of the **insurance company**.

If the **insured** refuses to consent to any settlement recommended by the **insurance company** and acceptable to the claimant, the **insurance company's** liability for **loss** will not exceed:

- i. the amount for which the **claim** could have been settled, less the remaining Retention, plus
- ii. the **defense costs** incurred up to the time of such refusal.

Assistance and Cooperation

If any **claim** or **circumstance** is reported by the **insured** under this Policy, the **insured** will give all information and assistance to the **insurance company** as it may need to investigate such **claim** or **circumstance**. The **insured** will cooperate with the **insurance company** in responding to such **claim** or **circumstance**. The **insured** agrees not to take any action which in any way increases the **insurance company's** exposure under this Policy.

Any costs to provide such information or assistance to the **insurance company** will be at the **insured's** own cost.

Allocation

If a judgment, award and/or settlement constitutes both **loss** covered by this Policy and loss uncovered by this Policy either because the **claim** includes both covered and uncovered allegations or because it includes both insured and uninsured parties, then the **insured** and the **insurance company** will use their best efforts to determine a fair and appropriate allocation between that portion of **loss** that is covered under this Policy and that portion of loss that is not covered under this Policy. The **insurance company** and the **insured** agree that in determining a fair and appropriate allocation of **loss** and non-covered loss, such parties will take into account the relative legal and financial exposures of the settlement of the **claim** by the **insured** and others.

Other Insurance

The insurance under this Policy will apply in excess of any other valid and collectible insurance available to any **insured**, including any self-insured retention or deductible of such insurance. This provision will not apply where such other insurance is written only as specific excess insurance over this Policy.

Subrogation and Recoveries

If any payment is made under this Policy, the **insured** will transfer its rights of recovery against any third party to the **insurance company**. The **insured** will do whatever is reasonably necessary to secure and preserve such rights after a **claim** is first made against them or the date they become aware of a **circumstance**.

Any amounts recovered will be applied in the following order:

- (a) to reimburse costs incurred by or on behalf of the **insurance company** in bringing proceedings against such other party;
- (b) then to the **insured** for the amount of any **loss** which exceeds the Limit of Liability;
- (c) then to the **insurance company** up to the amount of the **loss** paid by the **insurance company** and the Limit of Liability will be reinstated for such amounts;
- (d) then to the **insured** to reimburse the Retention.

Action against the Insurance Company

No action will lie against the **insurance company** unless and until the **insured** has fully complied with all the terms of this Policy.

No person or organization will have the right under this Policy to join the **insurance company** as a party to an action against the **insured** to determine the **insured's** liability or implead the **insurance company** in any such action.

General Conditions

Change of Control or Subsidiary Acquired by Another Entity

In the event during the **policy period**:

- (a) there is a **change of control**, or
- (b) a **subsidiary** is acquired by another entity,

this Policy will not apply to that part of any **claim** or **circumstance** which arises from a **wrongful act** that was committed after such **change of control** or acquisition.

The **named insured** will, as soon as practicable, give the **insurance company** written notice of a **change of control**.

Mergers and Acquisitions

- (a) In the event the **named insured** acquires another entity whose number of employees do not exceed 10% of the total number of **employees** of the **insured organization** as the time of acquisition, then such acquired entity will be considered part of the **insured organization**, and this Policy will apply, from the date of such acquisition, for any **claim** or **circumstance** in any way involving such entity; or

- (b) In the event the **named insured**:

- i. merges with another entity such that the **named insured** is the surviving entity; or
- ii. acquires another entity whose number of employees exceeds the percentage threshold in (a) above,

then this Policy will only apply for a period of 60 days, from the date of such merger or acquisition, for any **claim** or **circumstance** in any way involving such merged or acquired entity.

After 60 days, coverage will only be available under this Policy if:

1. the **named insured** provides the **insurance company** with information in connection with such merger or acquisition as the **insurance company** requires; and
2. the **named insured** accepts any special terms, conditions, exclusions or additional premium charge as may be required by the **insurance company**.

- (c) Coverage for such entity specified in (a) or (b) above:

- i. will only apply if all employees of such entity specified in (a) or (b) above have successfully completed both a criminal background and abuse registry check prior to the time of such merger or acquisition; and

- ii. will only apply to that part of any **claim** or **circumstance** for any **wrongful act** committed after the date of such merger or acquisition.

Optional Extension Period

If this Policy is not renewed or replaced by the **insurance company**, the **named insured** will be entitled to purchase an **optional extension period**.

The **optional extension period** will only be available if:

- (a) the **named insured** gives written notice to the **insurance company** of its intent to purchase the **optional extension period** within 30 days after the end of the **policy period**; and
- (b) the **named insured** pays the additional premium specified in the Declarations to the **insurance company** within 45 days after the end of the **policy period**.

The **optional extension period** will only apply to that part of any **claim** or **circumstance** for any **wrongful act** committed before the end of the **policy period**. In no event will the **optional extension period** apply to any **safeguard costs**.

The **optional extension period** cannot be cancelled, and the premium is deemed fully earned at the inception date of such **optional extension period**.

The **optional extension period** will not increase the Limit of Liability. Any payments with respect to **claims** made during the **optional extension period** will be part of the Limit of Liability.

The offer of renewal terms, conditions or premiums different from those in effect prior to renewal will not constitute non-renewal or replacement.

Cancellation

- (a) By the **named insured**

If an **insured** has not reported any **claims** or **circumstances**, the **named insured** may cancel this Policy by giving the **insurance company** written notice stating when thereafter the cancellation will be effective. In such event the **insurance company** will give the **named insured** the customary short rate refund of the premium for the remaining portion of the **policy period**, subject always to a 25% minimum earned premium. In the event an **insured** has reported any **claims** or **circumstances** under this Policy, the premium will be deemed fully earned.

- (b) By the **insurance company**

The **insurance company** will have the right to cancel this Policy only for nonpayment of premium by providing in writing 10 days notice of cancellation to the **named insured**. If the premium is paid in full to the **insurance company** before the 10 day notice period expires, notice of cancellation will automatically be revoked. In the event of cancellation, the **insurance company** will be entitled to the pro-rata portion of the premium. If the foregoing notice provision is in conflict with any governing law or regulation, then such provision will be amended to afford the minimum requirements permitted thereunder.

Non-Renewal

The **insurance company** may non-renew this Policy by giving the **named insured** 60 days written notice before the end of the **policy period**. The mailing of such notice shall be sufficient notice. Delivery of such written notice by the **insurance company** will be equivalent to mailing. If the foregoing notice provision is in conflict with any governing law or regulation, then such provision will be amended to afford the minimum requirements permitted thereunder.

Authorization

The **named insured** will be considered the agent of all the **insureds**. This means that the **named insured**:

- (a) will act on behalf of all the **insureds** with respect to the giving of or receipt of all notices pertaining to this Policy, and
- (b) will accept any endorsements to this Policy, and
- (c) will be responsible for the payment of all premiums and Retentions and for receiving any refunds of premium.

Assignment

The **insured** cannot assign this Policy or any right under it without the prior written consent of the **insurance company**.

Governing Law

This Policy will be governed by and construed in accordance with the laws of the state designated in the Declarations.

Service of Suit

It is agreed that in the event of the failure of the **insurance company** to pay any amount claimed to be due under this Policy, the **insurance company**, at the request of the **insured**, will submit to the jurisdiction of a court of competent jurisdiction within the United States. Nothing in this General Condition constitutes or should be understood to constitute a waiver of the **insurance company's** rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another court as permitted by the laws of the United States or of any state in the United States. It is further agreed that service of process in such suit may be made upon the **insurance company's** representative, specified in the Declarations, and that in any suit instituted against any one of them upon this contract, the **insurance company** will abide by the final decision of such court or of any appellate court in the event of an appeal.

The **insurance company's** representative specified in the Declarations is authorized and directed to accept service of process on behalf of the **insurance company** in any such suit and/or upon the request of the **insured** to give a written undertaking to the **insured** that they will enter a general appearance upon the **insurance company's** behalf in the event such a suit shall be instituted.

Further, pursuant to any statute of any state, territory or district of the United States which makes provision therefor, the **insurance company** hereby designates the Superintendent, Commissioner or Director of Insurance or other officer specified for that purpose in the statute, or his successor in office, as their true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the **insured** or any beneficiary hereunder arising out of this Policy, and hereby designates the **insurance company's** representative, specified in the Declarations, as the person to whom the said officer is authorized to mail such process or a true copy thereof.

Entire Agreement

By acceptance of the Policy, the **insured** agrees that this Policy embodies all agreements between the **insurance company** and the **insured** relating to this Policy. No change or modification to this Policy will be effective unless made by endorsement issued by the **insurance company**.

Representation by the Insured

The **insured** represents that the statements contained in the **application** are true, accurate and are not misleading. The **insured** also agrees that the **insurance company** issued this Policy, and assume the risks hereunder, in reliance upon the truth of such statements.

In the event that the **application** contains misrepresentations made with the actual intent to deceive, or contains misrepresentations which materially affect either the acceptance of the risk or the hazard assumed by the **insurance company** under this Policy, this Policy will not afford any coverage with respect to:

- (a) those **insureds** who made or had knowledge of such misrepresentations; and
- (b) all **insureds** if the individuals who executed the **application** made or had knowledge of such misrepresentations.

Except as provided for in paragraph (b) above, no knowledge possessed by any **insured** will be imputed to any other **insured**.

None of the foregoing provisions in this General Condition will in any other way limit or void the **insurance company's** rights to rescind this Policy.

The Insurance Company's Consent

Where the **insured** is required under this Policy to seek the consent of the **insurance company**, the **insurance company** will not unreasonably withhold, delay or deny such consent.

Sanction Limitation

The **insurance company** will not be liable to provide any cover, benefit or pay any **loss** under this Policy to the extent that the provision of such cover, benefit or payment of such **loss** would expose the **insurance company** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the United States of America, Canada, European Union or United Kingdom.

Bankruptcy

Bankruptcy or insolvency of the **insureds** will not relieve the **insurance company** of its obligations, or deprive the **insurance company** of its rights or defenses under this Policy.

Territory

This Policy will apply to **claims** made against the **insureds** anywhere in the world.

Valuation and Currency

All premiums, limits, retentions, **loss** and other amounts under this Policy are expressed and payable in the currency of the United States. If judgment is rendered, settlement is denominated or another element of **loss** under this Policy is stated in a currency other than United States dollars, payment under this Policy will be made in United States dollars at the rate of exchange published in the *Wall Street Journal* on the date the judgment becomes final or payment of the settlement or other element of **loss** is due.

Complaints

Every effort is made to ensure that a high standard of service is provided. However, if the **insured** is not satisfied with the service it has received or it has any questions or concerns about this Policy the **insured** should contact Beazley Complaints as indicated on the Insurance Company, Claim and Circumstance Notification and Complaints Information form.
