## Limit of Liability

The Policy Aggregate Limit of Liability as specified in the Declarations is the maximum amount payable by the **insurance company** for all **loss**, Coverages and **insureds** under this Policy.

The Limit of Liability stated in the Declarations under each Coverage is the maximum amount for the specific Coverage as listed in the Declarations. These limits are part of, and not in addition to, the Policy Aggregate Limit of Liability.

Any **loss** paid by the **insurance company** under each Coverage will reduce the Limit of Liability and the Policy Aggregate Limit of Liability stated in the Declarations.

Where any sublimit is specified in the Declarations, the **insurance company** will have no liability in excess of such sublimit. Any sublimit will be part of, and not in addition to, the aggregate Limit of Liability stated in the Declarations under each specific Coverage.

The **insurance company** will not be obligated to pay any **loss**, or to defend any **claim**, after the applicable Limit of Liability has been exhausted or after deposit of the remaining applicable Limit of Liability in a court of competent jurisdiction, and that upon such payment, the **insurance company** shall have the right to withdraw from the further defense of the **Claim** by tendering control of said defense to the **Insured**.

In no event will one **claim** trigger multiple Limit of Liability sections as stated in the Declarations.

## Retention

The applicable Retention is specified in the Declarations and the **insurance company** will be liable only for **loss** in excess of that amount.

The Retention will be satisfied by payments of **loss** by the **insured**. The Retention is in addition to the Limit of Liability and not part thereof.

The **insured** will make direct payments within the Retention to appropriate parties designated by the **insurance company**. The Retention is to be uninsured, unless otherwise agreed to by the **insurance company**. Under no circumstances will the **insurance company** be called upon to pay the Retention, but the **insurance company** may do so at its sole discretion. Such payment will in no way affect the **insurance company's** ability to collect the Retention from the **insured**.

## Claim Requirements and Information

### Notification of Occurrence

Occurrence coverages:

As soon as the **insured** first becomes aware of an **occurrence** which has taken place during the policy period, it must as soon as practicable provide a written notice under this Policy through the claims team named in [and in accordance with] the Notice of Claim, Loss or Circumstance Section of the Declarations.

### Notification of Claim

Claims Made and Reported Coverages:

As a condition to coverage under this Policy, the **insured** must give written notice under this Policy through the claims team named in [and in accordance with] the Notice of Claim, Loss or Circumstance Section of the Declarations of any **claim** made against the **insured** as soon as practicable but in no event later than 30 days after the end of the **policy period**.

### Notification of Circumstance

If during the **policy period**, except for the **extended reporting period**, the **insured** (1) first becomes aware of a **circumstance** and (2) gives written notice under this Policy, as soon as

practicable through the claims team named in [and in accordance with] the Notice of Claim, Loss or Circumstance Section of the Declarations, of:

- (a) the reasons why the **Insured** anticipates that such **circumstance** could give rise to a **claim**; and
- (b) full particulars of the dates, acts and persons involved in such **circumstance**;

then any subsequent **claim** made against the **insured** arising out of such **circumstance** shall be deemed to have been made at the time written notice was *first* given under this Policy through the claims team named in [and in accordance with] the Notice of Claim, Loss or Circumstance Section of the Declarations.

If the **insured** fails to provide sufficient information as required by paragraphs (a) and (b) above, then no coverage shall be provided under this Policy for any **claim** made with respect to such **circumstance**. The **insured** shall have the right to provide supplemental information to conform with paragraphs (a) and (b) above, to the **insurance company's** satisfaction, no later than 30 days after the end of the **policy period**. The Coverage Restriction stated within this paragraph, shall not apply to any **claim** first made under this Policy (which will be the applicable Policy) with respect to any **circumstance** reported in an earlier policy that was not accepted by the **insurance company** as a valid notification, and where cover has been maintained continuously with the **insurance company** from the inception date of that earlier policy until the inception date of this Policy.

Related Claims (Same Claimant, Plaintiff or Patient)

All **related claims** made by, on behalf of, or because of the same claimant, plaintiff or **patient**:

- (a) are considered a single **claim** for the purposes of this Policy, irrespective of the number of claimants, plaintiffs or **insureds** involved in the **claim**,
- (b) are deemed to have been made at the time of the first such **claim**, and
- (c) will be treated by the **insurance company** as having been reported when the first of such **claims** was reported.

Related Claims (Two or More Persons)

All **related claims** will be considered a single **claim** for the purposes of this Policy, where:

- (a) the act, error or omission or **occurrence** affects two or more persons and is attributable to a single, direct cause;
- (b) the first relevant act, error, omission or **occurrence** takes place after the **retroactive date** and before the end of the **policy period** for Claims Made coverages or the first relevant **occurrence** takes place during the **policy period** for Occurrence coverages;
- (c) the first of such **related claims** has been made within the **policy period** or directly relates to a **circumstance** notified within the **policy period**; and
- (d) either the **insurance company** deems such designation a **related claim** or the **named insured** has requested, in writing, within 120 days after the end of the **policy period** that the **insurance company** agrees to such designation of a **related claim**, such consent not to be unreasonably withheld by the **insurance company**.

If the **insurance company** deems or agrees to designate such **claims** as a **related claim**, then any later **claims** which are made and notified within 5 years of the end of the **policy period** are hereby covered under this Policy as a **related claim**, and will be deemed to have been notified at the date of the first designated **claim** or notification and are subject to one Retention and one each **claim** limit.

Once the **named insured** has knowledge of a negligent act, error, omission or **occurrence**, the **insured** should promptly take all reasonable steps at their own expense to prevent or mitigate other or further **bodily injury, financial injury, property damage, personal injury or advertising**

**injury** arising out of the same, related or continuing negligent acts, errors, omissions or **occurrences**. If the **insured** fails to comply with this provision, the **insurance company** will have no liability under this Policy in respect of any **claim** arising out of such continuous negligent acts, errors, omissions or **occurrences**.

Only in relation to the Products/Completed Operations Coverage (if purchased): with respect to a **product incident**, all **bodily injury** or **property damage** arising out of one lot of goods, batch, package, or run of products prepared, manufactured or acquired by the **named insured** (or by another trading under the **named insured's** name) and attributable to a single, direct cause shall be deemed to be one **claim**.

#### Defense and Settlement

##### (a) Duties

The **insurance company** has the right and duty to defend any **claim** against the **insured** seeking amounts which are payable under the terms of this Policy, even if any part of such **claim** is groundless, false or fraudulent.

Defense counsel will be mutually agreed by the **named insured** and the **insurance company** but, in the absence of such agreement, the **insurance company's** decision will be final.

##### (b) Consent to **defense costs**.

The **insurance company** will not be obligated to pay **defense costs** unless it has given prior written consent to such **defense costs** being incurred (except if expressly specified in this Policy that prior consent is not first required).

##### (c) Settlement of **claims**

The **insured** cannot admit liability, make any payment, assume any obligation, incur any expense, enter into any settlement, stipulate to any judgment or dispose of any **claim** without the prior written consent of the **insurance company**.

If the **insured** refuses to consent to any settlement recommended by the **insurance company** and acceptable to the claimant, the **insurance company's** liability for **loss** will not exceed:

- i. the amount for which the **claim** could have been settled, less the remaining Retention, plus
- ii. the **defense costs** incurred up to the time of such refusal;

or the applicable Limit of Liability, whichever is less, and the **insurance company** will have the right to withdraw from the further defense of such **claim**.

#### Assistance and Cooperation

If any **claim** or **circumstance** is reported by the **insured** under this Policy, the **insured** will give all information and assistance to the **insurance company** as it may need to investigate such matters. The **insured** will cooperate with the **insurance company** in responding to such **claim** or **circumstance**. The **insured** agrees not to take any action which in any way increases the **insurance company's** exposure under this Policy.

Except where expressly provided for in this Policy, any costs to provide such information or assistance to the **insurance company** will be at the **insured's** own cost.

#### Other Insurance

The insurance under this Policy will apply in excess of any other valid and collectible insurance available to any **insured**, including any self-insured retention or deductible of such insurance. This provision will not apply where such other insurance is written only as specific excess insurance over this Policy.

The insurance provided for **property damage** to the structures or portions thereof rented to or temporarily occupied by the **named insured** including fixtures permanently attached thereto, where Damage to Rented Premises Coverage (if purchased) is provided, shall be excess insurance over any valid and collectible property insurance (including any deductible portion thereof) available to the **insured**.

#### Subrogation and Recoveries

If any payment is made under this Policy, the **insured** will transfer its rights of recovery against any third party to the **insurance company**. The **insured** will do whatever is reasonably necessary to secure and preserve such rights after a **claim** is first made against them or the date they become aware of a **circumstance** giving rise to a **claim**.

Any amounts recovered will be applied in the following order:

- (a) to reimburse costs incurred by or on behalf of the **insurance company** in bringing proceedings against such other party; and
- (b) then to the **insured** for amount of any **loss** which exceeds the Limit of Liability;
- (c) then to the **insurance company** up to the amount of the **loss** paid by the **insurance company**; and
- (d) then to the **insured** to reimburse the Retention.

#### Action against the Insurance Company

No action will lie against the **insurance company** unless and until the **insured** has fully complied with all the terms of this Policy.

No person or organization will have the right under this Policy to join the **insurance company** as a party to an action against the **insured** to determine the **insured's** liability or implead the **insurance company** in any such action.

## General Conditions

#### Mergers and Acquisitions

- (a) If during the **policy period**, the **named insured** merges with or acquires another entity and
  - i. the revenues of the merged or acquired entity do not exceed 10% of the total annual revenues of the **named insured** as specified in the **application**; and
  - ii. the business operations of the merged or acquired entity are of a similar nature to those of the **named insured** as specified in the **application**; and
  - iii. the merged or acquired entity is located in the same state as the **named insured** or any subsidiary,

then such merged or acquired entity will be considered part of the **named insured**, and this Policy will apply, from the date of such merger or acquisition, for any **loss** in any way involving such entity that takes place subsequent to the merger or acquisition.

In the event the total amount of revenues of all merged and acquired entities during the **policy period** exceed fifteen percent (15%) of the **named insured's** annual revenues as set forth in its most recent **application** for insurance, the above provision shall no longer apply and any further mergers or acquisitions will be subject to paragraph (b) below.

- (b) In the event the **named insured** merges or acquires an entity that does not fall within the criteria detailed in paragraph (a) above, or where paragraph (a) above no longer applies by virtue of the provision contained in the last sentence paragraph (a) above, the **named insured** will be required to give written notice to the **insurance company** prior to completion of a

merger or acquisition of the **named insured**, and the **insurance company** expressly reserves the right to request additional premium and/or to apply amended terms and conditions if this Policy is to remain in force subsequent to any merger or acquisition.

- (c) In the event the **named insured** consolidates with or merges with another entity such that the **named insured** is not the surviving entity, or is acquired by another entity, or sells more than 50% of its assets to another entity, then this Policy will continue to remain in effect through the end of the **policy period**, but only with respect to events, acts or incidents that occur prior to such consolidation, merger or acquisition. There will be no coverage provided by this Policy for any other **claim** or **loss** unless the **named insured** provides written notice to the **insurance company** prior to such consolidation, merger or acquisition, the **named insured** has agreed to any additional premium and terms of coverage required by the **insurance company** and the **insurance company** has issued an endorsement extending coverage under this Policy.

#### Extended Reporting Period

If this Policy is not renewed or cancelled, the **named insured** will be entitled to purchase an **extended reporting period**.

The **extended reporting period** will only be available if

- (a) the **named insured** requests in writing to the **insurance company** of its intent to purchase the **extended reporting period** within 30 days of the effective date of such non-renewal or cancellation; and
- (b) the **named insured** pays the additional premium specified in the Declarations to the **insurance company** within 30 days of the effective date of such non-renewal or cancellation.

The **insurance company** will issue an endorsement providing an **extended reporting period** for the period of time stated in the Declarations.

The **extended reporting period** will only apply to any act, error, omission or **occurrence** committed on or after the **retroactive date** and before the end of the **policy period** and in respect of **claims** first made against the **insured** and reported to the **insurance company** during such **extended reporting period**.

The **extended reporting period** cannot be cancelled, and the premium is deemed fully earned at the inception date of such **extended reporting period**.

The **extended reporting period** does not increase the Limit of Liability. Any payments with respect to **claims** made during the **extended reporting period** will be part of the Policy aggregate limit of liability as specified in the Declarations.

The right to the **extended reporting period** shall not be available to the **named insured** where non-renewal or cancellation by the **insurance company** is due to non-payment of premium or failure of an **insured** to pay such amounts in excess of the applicable Limit of Liability or within the applicable Retention.

#### Allocation

If both **loss** covered by this Policy and loss not covered by this Policy are incurred, either because the **claim** against an **insured** includes both covered and uncovered matters or because a **claim** is made against both **insured** and uninsured parties, then the **insured** and **insurance company** agree to fairly and reasonably allocate such amount between covered **loss** and uncovered loss.

#### Cancellation

This Policy may be cancelled by the **named insured** by giving written notice to the **insurance company** through the entity listed in the Declarations stating when the cancellation will be effective. This effective date will not be earlier than the date the written notice has been received by the **insurance company**. If the Policy shall be cancelled by the **named insured** the **insurance**

**company** shall retain the short rate proportion of the premium for the period this Policy has been in force.

This Policy may be cancelled by the **insurance company** by mailing to the **named insured** at the address listed in the Declarations written notice stating when such cancellation will be effective. Such date of cancellation will not be less than 60 days (or 10 days for cancellation due to non-payment of premium) after the date of notice. If this Policy shall be cancelled by the **insurance company**, the **insurance company** shall retain the pro rata proportion of the premium for the period this Policy has been in force.

If this Policy is cancelled in accordance with the paragraphs above prior to reporting any **claim** or **circumstance** under this Policy, the minimum earned premium as stated in the Declarations shall be deemed earned upon inception of the Policy, and the remaining earned premium shall be computed in accordance with the customary short rate table and procedure; but the premium will be deemed fully earned if any **claim**, or any **circumstance**, is reported to the **insurance company** on or before the date of cancellation. Payment or tender of unearned premium is not a condition of cancellation.

#### Premium Payment Warranty

All premium due to the **insurance company** under this Policy is paid within 30 days from the inception date of the Policy. Non-receipt of such premium by midnight (local standard time) on the premium due date, will render this Policy void from the inception date.

#### Innocent Insured

Whenever coverage under this Policy would be excluded, suspended or lost owing to:

- (a) the application of the Expected or Intended Injury Exclusion in the General Liability or Products Completed/Operations Sections (if purchased) or the Criminal, Dishonest, Fraudulent and Malicious Acts and Omissions Exclusion related to intentional, criminal, dishonest, fraudulent or malicious acts, errors or omissions by any **insured**; or
- (b) non-compliance with any condition relating to the giving of notice to the **insurance company** where an **insured** is in default solely as a result of the failure of another **insured** to comply;

such insurance coverage as would otherwise be afforded under this Policy shall remain in effect with respect to those **insureds** who did not personally participate in, or acquiesce in or remain passive after having personal knowledge of, (1) one or more of the acts, errors or omissions described in any such exclusion, or (2) such failure to give notice; provided that after becoming aware of such act, error or omission or any failure to give notice, an **insured** seeking the benefit of this clause shall inform the **insurance company** immediately in writing of such event.

#### Authorization

In the event the **insurance company** does not pay any amount claimed to be due under this Policy, the **insurance company** at the request of the **insured** will submit to the jurisdiction of any court of competent jurisdiction within the United States.

Nothing in this General Condition Section constitutes or should be understood to constitute a waiver of the **insurance company's** rights:

- (a) to commence an action in any court of competent jurisdiction in the United States, or
- (b) to remove an action to United States District Court, or
- (c) to seek a transfer of a case to another court as permitted by the laws of the United States or of any state in the United States.

The service of process in such suit may be made upon the firm specified in the Declarations.

The firm specified in the Declarations is authorized and directed to accept service of process on behalf of the **insurance company** in any such suit and upon the request of the **insured** enter a general appearance upon the **insurance company's** behalf.

### Entire Agreement

### Representation by the Insured

### The Insurance Company's Consent

Where the **insured** is required under this Policy to seek the consent of the **insurance company**, the **insurance company** will not unreasonably withhold, delay or deny such consent.

### Sanction Limitation

The **insurance company** will not be liable to provide any cover, benefit or pay any **loss** under this Policy to the extent that the provision of such cover, benefit or payment of such **loss** would expose

the **insurance company** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the United States of America, Canada, European Union or United Kingdom.

#### Bankruptcy

Bankruptcy or insolvency of the **insured** or of the **insured's** estate will not relieve the **insurance company** of their obligations under this Policy.

#### Several Liability

The subscribing **insurance company's** obligations under contracts of insurance to which they subscribe are several and not joint and are limited solely to the extent of their individual subscriptions. The subscribing **insurance company** is not responsible for the subscription of any co-subscribing insurance company who for any reason does not satisfy all or part of its obligations.

#### Licensure

- (a) It is a condition of the coverage afforded under the Policy that the **facilities of the named insured** and any **insured** requiring a license to practice shall be licensed in accordance with all relevant federal, state and local requirements. The **named insured** warrants that as of the inception date of this Policy it has secured all relevant licenses.
- (b) If, during the **policy period**, any **insured's** licensure status is altered by withdrawal, revocation, denial, suspension or failure to renew, the **named insured** shall give written notice of such change to the **insurance company** within thirty (30) days of the change becoming effective. Following receipt of such notice, the **insurance company** may elect, at its sole option, to revise any Covered Section, definitions, exclusions, endorsements or other conditions of this Policy with respect to the **insured**, with effect from such date of such withdrawal, revocation, denial, suspension or failure to renew. Such action does not waive the **insurance company's** option to invoke the provisions of the Cancellation Section of this Policy. Furthermore, the **insurance company** will have no obligation to respond to any **claim** arising out of a negligent act, error or omission, or an **occurrence** which took place subsequent to the date of withdrawal, revocation, denial, suspension or failure to renew.

#### Non-Cumulation of Limits

In the event that a **claim** purports to trigger coverage under more than one policy issued by the **insurance company** to the **named insured**, any **claim** or suit will only be covered under the policy with the highest limit of insurance available or, if the limits are the same, under only one of the policies.

#### Complaints

Every effort is made to ensure that a high standard of service is provided. However, if the **insured** is not satisfied with the service it has received or it has any questions or concerns about this Policy the **insured** should contact Beazley Complaints as indicated on the Insurance Company, Claim, Loss and Circumstance Notification and Complaints Information form.
